Form 990 (2016)

Form 990, Part III, Line 4a:

The PCMP provides medical, economic development and education support. We focus on improving medical care by working with the medical directors and doctors who oversee the healthcare system of 5 hospitals, 108 clinics and a nursing school in the northwest region of Congo. We multiply impact by training Congolese medical professionals through our Medical Ambassador volunteer program. Economic growth remains a crucial area of partnership because of obstacles our partners face due to extreme poverty. Focusing on relational capacity building, we contribute to the development of projects, individuals, and organizations committed to sustaining growth. We aim to work with, not for, people who are making a difference in their own communities.
