Part X The league considers the provisions of financial accounting standards Board (FASB)

accounting standards codification topic 740-10 accounting for uncertainty in income taxes

The purpose of this topic is to clarify whether non-profit organizations may include tax

benefits from uncertain tax positions in their financial statements. The league records a

liability for uncertain tax positions when it is probable that a loss has been incurred

and the amount can be reasonably estimated. The League recognizes interest accrued related

to unrecognized tax benefits in interest expense and penalties in operating expenses. The

League is no longer subject to U S federal and state informational return examinations by

tax authorities for years before 2016. The League has evaluated its tax position and

concludes that there are no tax positions it has taken which if challenged would result in

a material effect on the financial statements
