Return Reference	Explanation
PART X, LINE 2	National Kidney Foundation, Inc. has not taken an uncertain tax position that would require provision of a liability under ASC 740, "Income Taxes." Under ASC 740, an organization must recognize the financial statement effects of a tax position taken for tax return purposes when it is more likely than not that the position will not be sustained upon examination by a taxing authority. The organization does not believe there are any material uncertainties in tax positions and, accordingly, it will not recognize the financial statement effects of unrecognized tax positions for the year ended March 31, 2017. The organization has filed for and received income tax exemptions in the jurisdictions where it is required to do so. Additionally, the organization has filed IRS Form 990, as required, and all other applicable returns in jurisdictions when it is required. For the year ended March 31, 2017, there were no interest or penalties recorded or included in the financial statements. The organization believes it is no longer subject to income tax examinations for the years prior to 2014, which is the statute of limitation look back period.
