Part III, Line 4	Cost Accounting was utilized to determine bad debt expense Provision for Bad Debts. The Hospital provides for an allowance against patient accounts receivable for an amount that could become uncollectible, whereby such receivables are reduced to their estimated net realizable value. The Hospital estimates this allowance based on the aging of accounts receivable, historical collection experience and other relevant factors. There are various factors that can impact the collection trends, such as changes in the economy, which in turn have an impact on the unemployment rates and the number of uninsured and underinsured patients, the increased burden on copayments to be made by patients with insurance, and business practices related to collection efforts. These factors continuously change and have an impact on the estimation process. The footnote regarding bad debt expense is included on pages 15 through 17 of the organizations's financial statements.

990 Schedule O, Supplemental Information

Return Reference	Explanation
Form 990, Part VI, Section B, line 15	<p>Kalispell Regional Healthcare System has a consistent compensation philosophy for all its employees, including the senior executives. Salary and benefits for the President/Chief Executive Officer are determined by the Kalispell Regional Healthcare System Board of Directors Executive Compensation Committee and reported to the Kalispell Regional Healthcare System Board. The executive compensation committee of the board reviews base and total compensation data from an array of compensation surveys of hospitals that are similar in size and complexity to Kalispell Regional Healthcare System. These reports are considered by the Committee, and a determination is made as to the status of the base salary, benefits, and total compensation for the President/CEO. The Board and Executive Compensation Committee embrace the philosophy of maintaining a compensation level which will favor retention of key leadership in order to maintain stability in key initiatives. Additionally, the President/CEO utilizes the periodic retention of a compensation consultant and market information provided to determine recommendations for other senior executives and engages in an analysis through use of independent survey results. The Board Committee also includes a review of performance targets which allow executives to earn additional compensation. These measures include organizational and individual goals, efforts to further the mission and vision of Kalispell Regional Healthcare System, quality indicators, customer/patient satisfaction, and financial performance objectives. The Board Committee reviews benefit levels and total compensation to ensure appropriateness in the not-for-profit health care sector. The Board Executive Compensation Committee makes its report to the Kalispell Regional Healthcare System Board of Directors.</p>
