Part I, Line 32b	The Community Foundation works closely with financial, legal and tax advisors to educate them and their clients regarding the potential benefits of noncash contributions, specifically securities. In instances of contributions in the form of securities, the Community Foundation holds accounts with different financial advisors to facilitate such gifts. When the Community Foundation is notified of a potential gift of securities, the securities are transferred from the donor's account to one of the financial advisor accounts held by the Community Foundation. The financial advisor is instructed to sell the securities upon receipt. The Community Foundation's gift acceptance guidelines outline the policies and procedures for cash and noncash gifts.
