Grantmaker's Description of How Grants are Used	In the instance of any Special State Project, the Federation only sends 60% (or whatever amount was agreed upon in the contract) at the end of the project. The Federation then requires the organizations that received the assistance, to send a report after six months that identifies where they used the money. Upon receipt and satisfactory review of this report, the Federation then disburses the remaining balance. For organizations like UNICEF, funds donated by the clubs are given with the knowledge that they will be used for the specific General Federation of Women's Clubs (GFWC) projects.
