PCs for People distributes computers exclusively to eligible recipients. To be eligible a family or individual must be below the 200% poverty level and/or be receiving government

assistance. When a client comes into our office to get a computer they must first show proof of eligibility and a picture ID. This is generally a benefits statement from the county or a tax

return proving income is below the 150% poverty level. Proof of eligibility is scanned and filed and the client then chooses a computer. Many recipients give a voluntary donation at this

time. Last year 3,667 personal computers were distributed with no donation from recipients.
