Form 990, Part III, Line 4b:

Global Initiatives Global Initiatives is the Global arm of David C Cook that provides Cook-created material around the world for sale, when possible, and for subsidized or free distribution when local resources are limited There are three main areas of focus curriculum for at-risk children (which we call "Life on Life"), materials for spiritual formation in children, and leadership resources Life on Life Curriculum One of the most important responsibilities of the church today is to care for vulnerable children around the world who are at risk due to poverty, abuse, abandonment, or conflict in the home or community While many good programs exist to help them with physical needs like food, shelter and education, far too little is done to address their significant emotional, social and spiritual needs Through Global Initiatives, we provide a curriculum that fosters inner healing for children with wounded hearts We co-create the curriculum with partners to meet the unique needs of each country Currently, over thirteen million children are enrolled in 29 countries through translations into 13 languages We also provide short crisis-response curriculum for adults to help children cope with trauma they have experienced due to earthquakes, outbreaks of illness like Ebola, and crises that have forced them to become refugees Materials for Children The Action Bible is a graphic novel-style version of the Bible that contains 215 stories beautifully drawn by an experienced DC and Marvel comic's artist It has sold well over a million copies and has been translated into several languages In conjunction with ministry partners, over the next several years there are plans to translate this into over 80 languages In addition, it has spawned several derivative products, including The Story of Jesus, a 16- or 24-page booklet containing a clear Gospel message The Story of Jesus has been distributed in 95 countries and 53 languages Over 49 million children have received a copy in the last five years Another product spin-off, The Action Bible New Testament, is now being used as the religious instruction manual for public school children in Guatemala Leadership Resources Grassroots leaders who have not had seminary-level training make up the vast majority of pastors and leaders Their greatest need is for practical materials to help them better understand God's Word so that they can apply it to their daily lives and to their teachings for their congregation Part of David C Cook's arsenal of resources is Warren Wiersbe's Be Series, 52 commentaries that encompass the entire Bible Written at the lay-level, we have translated them into dozens of languages at the request of pastors and leaders around the world In book form, we have provided mini libraries of these and other leadership resources to 118,000 pastors in India and thousands more in Africa We are now providing them on SD cards in several languages in India and Nepal so that pastors can easily access these commentaries on their phones

The Mission purpose is included on all travel forms in order to document the business purpose for the reimbursement.
