Return Reference	Explanation
Part III, STATEMENT OF PROGRAM SERVICE ACCOMPLISHMENTS	The Foundation has grown tremendously over the past 15 years in every way, and its core base of donors and supporters continue to grow today In 2014, however, a formerly stable revenue source that had been responsible for about \$1 million annually and about 20 percent of its overall budget, cy pres awards, declined significantly When it became clear that cy pres was not likely to return as a significant revenue source and the Foundation would not be able to close the gap through other growth in the short term, the Foundation made a number of adjustments in its fiscal year 2017 budget to account for that reality The adjustments involved a mix of reductions to grants, and other program and operating expenses, as well as the use of more conservative revenue targets The Foundation recently adopted a new strategic plan that it believes positions the organization for continued growth and impact
