Return Reference	Explanation
Schedule C, Part II-B, Line 1	Gustavus Adolphus College (the College) is a member of Minnesota Private College Council (MPCC), an organization described in section 501(c)(4) of the Internal Revenue Code. MPCC is an association of private nonprofit institutions of higher education that serves a variety of its members' shared needs, including, but not only, nonpartisan and non-electoral advocacy for public policy that meets students' needs and advances the interests of private higher education. The College paid membership dues to MPCC in the amount of \$129,028 during the taxable year. MPCC has divided its expenses for its taxable year ending June 30, 2017, into two groups. Group 1 consists of those expenses that did not in any way support attempts to influence legislation within the meaning of section 501(c)(3) of the Internal Revenue Code ("lobbying"), and Group 2 consists of all other expenses. Group 2 includes many expenses, such as personnel costs, that supported both lobbying and nonlobbying activities. MPCC did not attempt to allocate the Group 2 expenses between lobbying and nonlobbying activities. MPCC has determined that the amount of the Group 2 expenses represents 78.81% of the amount of the dues that MPCC collected in the same taxable year. Assuming that all Group 2 expenses were paid from member dues, and allocating those expenses pro rata based on the dues paid by each member, \$101,689 of the College's dues were used to pay Group 2 expenses. The amount of lobbying expenses paid from the College's dues was significantly less than that amount. In addition, the College paid membership dues of \$9,159 during the taxable year to the National Association of Independent Colleges and Universities of which 7%, or \$641, was estimated to be used for lobbying expenses.

Schedule D, Part X, Line 2	The Internal Revenue Service has determined that the College is exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code. Accordingly, the College is not subject to federal income taxes except to the extent it derives income from certain activities not substantially related to its tax-exempt purposes (unrelated trade or business activities). The College is also exempt from state income tax. The most significant areas that potentially subject the College to unrelated business income tax include hosting conferences and events, athletic space rentals and various services provided by the dining service and print and mail services to the public. At May 31, 2017 and 2016, the College has no current obligation for unrelated business income tax. The College follows the accounting standards for contingencies in evaluating uncertain tax positions. This guidance prescribes recognition threshold principles for the financial statement recognition of tax positions taken or expected to be taken on a tax return that are not certain to be realized. No liability has been recognized by the College for uncertain tax positions as of May 31, 2017 or 2016. The College's tax returns are subject to review and examination by federal and state authorities.

Schedule I, Part I, Line 2	Gustavus offers both merit-based and need-based scholarship assistance. Merit-based scholarships do not require a student to demonstrate financial eligibility and must be awarded during the Admission process. They also may be awarded as part of a need-based financial aid package. To be renewed, the student needs to maintain the established minimum standards. Need-based scholarships are offered to students who demonstrate financial eligibility by filing the FAFSA. The offered amounts can vary from year to year as determined by the family's Estimated Family Contribution (EFC) on the FAFSA and availability of funds. The Registrar's office monitors any changes to a student's enrollment status. Any changes are communicated to the Student Accounts office and the Financial Assistance office to ensure funds are being properly disbursed. Also see Schedule F, Part V with respect to monitoring of students taking J-Term or semester studies outside of the United States.

990 Schedule O, Supplemental Information

Return Reference	Explanation
Form 990, Part VI, Section B, Line 12c	The College has a written conflict of interest policy that pertains to its employees. This policy is one of several "All College Policies" that are published on the College's website. The conflict of interest policy is designed to help officers and employees of the College identify situations that present potential conflicts of interest, along with following written procedures in the event that there is a conflict of interest. The policy is intended to comply with the procedure prescribed in Minnesota Statutes, Section 317A.255, and governing conflicts of interest to nonprofit corporations. The President and the CFO, Vice President for Finance and Treasurer monitor and enforce the College's conflict of interest policy relating to its employees. In addition, a questionnaire is completed by all officers and key employees on an annual basis that documents any activity that could give rise to conflicts of interest. These questionnaires are reviewed by the President and the CFO, Vice President for Finance and Treasurer. The College has a separate written conflict of interest policy that pertains to all members of the Board of Directors. The policy discloses the importance of exercising integrity and objectivity in making decisions. It further provides disclosure requirements and procedures for abstaining and documentation of meeting minutes when there is a conflict of interest. At the beginning of May 2016, the Chair of the Board of Directors requested that the President's Office distribute this policy to all Directors, along with an annual representation letter, indicating that the director has read, understands and discloses whether or not there are any circumstances leading to a conflict of interest. At the June 24, 2016 Board of Directors meeting, the Chair of the Board of Directors requested that all Directors read the conflict of interest policy, determine if they had any questions, and complete the annual representation letter on a timely basis. From a governance perspective, the Directorship Committee of the Board of Directors is specifically charged with overseeing compliance with this policy (page two of the Directorship Committee Charter). Chairs of individual committees are charged with following the procedures for voting when there is a conflict of interest, along with documentation of those procedures in the meeting minutes. All Directors complete the questionnaire described above in the first paragraph and return them to the CFO, Vice President for Finance and Treasurer.
