Part X FIN48 Footnote	The College qualifies as a tax exempt organization under Section 501(c)(3) of the Internal Revenue Code and has received a determination letter from the Internal Revenue Service stating that it is exempt from federal income taxes, except for taxes on unrelated business income. Income unrelated to the Colleges exempt purpose is subject to federal and state income taxes. Part of the income from the College bookstore is subject to taxation as unrelated business income (UBI). The College has a UBI net operating loss carry forward resulting from prior years' losses, however, future benefit from this carry forward is expected to be minimal. FASB ASC 740, "Income Taxes," and related subsections prescribe rules for the recognition, measurement, classification, and disclosure in the financial statements of uncertain tax positions taken or expected to be taken in the Colleges tax returns. Management has determined that the College does not have any uncertain tax positions that materially impact the financial statements or related disclosures. Since tax matters are subject to some degree of uncertainty, there can be no assurance that the Colleges tax returns will not be challenged by the taxing authorities and that the College will not be subject to additional tax, penalties, and interest as a result of such challenge, although none is anticipated by management. Generally the Colleges tax returns remain open for federal and state income tax examination for three years from the date of filing.
