Vocational Clubhouse Program The Clubhouse Model of Psychiatric Rehabilitation is used at the Capitol Clubhouse in Augusta, the High Hopes Clubhouse in Waterville, and Looking Ahead Clubhouse in Lewiston. Their mission is to improve the quality of life for adults who experience mental illness by providing social, educational and employment opportunities. The Clubhouses help support members with overcoming barriers to employment by offering services such as job development, job placement, job coaching and job support. The Multi-Systemic Therapy Program is provided to children and family members in their homes. The program addresses serious issues that, if unresolved, could lead to a child's removal from the home. Multi-Systemic Therapy helps identify, support and strengthen the family's skills and resources to meet the needs of the child and family. This therapeutic technique is designed to reduce out-of-home placements through the use of intensive in-home and community-based interventions. Home Community Treatment Services provides an intensive, time-limited home and community-based intervention service for families experiencing difficulties and/or conflict. The program provides safe, appropriate, therapeutic contact between children and parents who have been separated. Kennebec Behavioral Health's School Based Program provides clinical services within a child's academic setting so that children do not have to leave school or miss after school activities in order to receive clinical treatment. This program is available in schools throughout central and mid-coast Maine. The Substance Abuse Program helps adults, adolescents and families whose lives have been disrupted by harmful relationships with abused substances. The program provides integrated services for people who have mental health concerns co-occurring with substance-use problems. The Independent Housing Program offers independent housing units which provide income-eligible consumers with housing and access to Kennebec Behavioral Health programs and services and other community services. The program also manages two rental subsidy programs for eligible individuals that pay a monthly rent subsidy to local landlords for eligible consumers helping to reduce their housing costs. Adult and Youth Homeless Outreach Services include outreach and engagement, assessment, case-management linkage with housing and supports and linkages to mainstream resources. Developmental Services Targeted Case Management (DSTCM) is offered to adults who the State of Maine has determined are eligible for case management based on an intellectual disability diagnosis. (People with Asperger's and Autism can also qualify.) Case managers help with the development of individual service plans called PCPs (Person Centered Plans). Case managers also make referrals, complete assessments, coordinate services, ensure that client goals and needs are being addressed, and monitor consumer satisfaction.
