Purpose of Grant

The grantee's charitable mission is to operate the Remick Country Doctor Museum and Farm, a charitable museum located in Tamworth, New Hampshire. This is the only country doctor museum in New England and one of only three in the United States. Visitors are provided a glimpse into the important contributions once made by country doctors, as well as New Hampshire's agricultural and rural past, and highlight ways that the visitors can learn from these histories. Interactive, hands-on and tasting learning opportunities are offered as much as possible, each of which allows for an enriched experience. Multiple grants totaling \$660,000 were awarded to support the ongoing operations of the Museum throughout the fiscal year.
