Supplemental Information

Return Reference	Explanation
Part X, Line 2	The Association is recognized as an organization exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code (the "Code") whereby only unrelated business income, as defined by Section 512(a)(1) of the Code, is subject to federal income tax. The Association did not have any unrelated business income in either of the years ended June 30, 2017 or 2016. The Association assesses the likelihood, based on their technical merit, that tax positions will be sustained upon examination based on the facts, circumstances and information available at the end of each period. The measurement of unrecognized tax positions is adjusted when new information is available, or when an event occurs that requires a change. The Association's policy is to analyze its tax positions for all open tax years. The Association has not identified any uncertain tax positions. Interest and penalties, if any, associated with unrecognized income taxes are classified as interest expense and income taxes expense, respectively, in the Statement of Activities and Changes in Net Assets. The Association is subject to routine audits by taxing jurisdictions, however, there are currently no audits for any periods in progress or pending.
