| Part V, Line 4   | <p>The School's primary objective is long-term capital appreciation which together with income will provide for the growth of the endowment while allowing support for current activities. The School has adopted a spending policy whereby a percentage of the historical average market value of the endowment for program services and capital needs is distributed and treated as support for operating activities. To the extent the total return requirement for the current year is not fulfilled by interest and dividends, the School utilizes realized gains of its endowment. To the extent the total return requirement for the current year is exceeded by interest and dividends, the School adds the excess income to its endowment.</p> |

| Part I, Line 2   | Financial aid is awarded to families by committee, inclusive of the Head of School, Assistant Head of School for Finance & Operations, Director and Associate Director of Admission, Controller, Assistant Business Manager, and Bookkeeper. The committee's decision is largely based upon the calculation by an organization, School and Student Services, which is owned by the National Association of Independent Schools. Once the committee awards a grant to a family, a letter is written to each family indicating the award and a contract is mailed home for the amount of tuition due for the year. These contracts are maintained in a locked cabinet in the School's Business Office. |
