THE SOMERVILLE HEALTH FOUNDATION, INC.

The Somerville Health Foundation, Inc. (SHF) was established on June 26, 1996 in the Affiliation Agreement executed by Somerville Hospital and the Cambridge Hospital when those hospitals merged. Under the terms of the Agreement, Somerville Hospital incorporated a new nonprofit corporation known as the Somerville Health Foundation, Inc.

The SHF has two main purposes. First, it is to promote and support the provision of primary care and preventive health services accessible to the residents of the City of Somerville, Massachusetts. Second, it is to promote and support educational, research and outreach programs that will improve the delivery and accessibility of primary care and preventive health services to the residents of the City of Somerville, Massachusetts. It is the Foundation's goal to provide financial resources for projects or activities which will enable it to fulfill these purposes.

GOVERNANCE

The Foundation is governed by a Board of Trustees, including the Mayor of the City of Somerville (or representative), the Chairman of the Board of the Cambridge Public Health Commission or designee, and three Somerville representatives selected annually by and from the Somerville representatives then serving on the Commission Board.

The current members are:

- Robina Bhasin, Somerville CHA Board of Trustees member, Clerk
- Doug Kress, Director, Somerville Health & Human Services Department (City of Somerville Mayor's designee)
- Gerry McCue, Somerville CHA Board of Trustees member, Chair Designee
- Kathleen McGilvray, Somerville CHA Board of Trustees member, Treasurer
- Cathy Wirth, Somerville CHA Board of Trustees member

SHF PRIORITY AREAS FOR 2017-2018 FUNDING

The Foundation invites proposals for projects that relate to its major purposes as stated above. The priority for funding support is programs/projects **with a prime emphasis on root causes of disease, health equity and/or health disparities and serving vulnerable populations among Somerville residents.**

Projects that also address the following preventative health priorities will receive extra consideration.

1. Protective factors to reduce substance abuse and/or decrease violence;
2. Mental and emotional health promotion and/or stress prevention, suicide prevention;
3. Physical activity and food/nutrition programming, infrastructure and/or policy work related to obesity prevention and reduction of diabetes and/or cardiovascular disease;
4. Chronic disease and disability prevention, based on Somerville health outcomes indicating respiratory disease (asthma and COPD), digestive diseases, cancer, living with a disability, and dental health are factors impacting the health of residents

- Projects that address multiple priorities are strongly encouraged.
- Collaborative approaches will receive priority consideration.

AMOUNT OF FUNDING AVAILABLE

The Somerville Health Foundation was created by a generous endowment by Margaret Hutchinson, to provide a private source of funding for Somerville health efforts in compliance with state and federal regulations governing such foundations. In 1997, its first year of making grants, the Foundation distributed \$33,000 in multiple grants. In 1998 through 2000, it distributed over \$50,000 annually, due to banner years in the stock market. Because of a decline in the value of the funds, no grants were issued in 2003 or 2004. Since then, between \$25,000- \$35,000 has been distributed per year. In 2017, the Somerville Health Foundation hopes to distribute a minimum of \$25,000, though the final amount is determined by available funds at time of distribution. As in past years, the maximum amount of funding is \$5,000, with the average of \$3,000.

WHO MAY APPLY

Any organization that has been determined to be nonprofit under section 501c (3) of the Internal Revenue Service Code may apply for a grant. Partnerships with a fiscal agent will be considered. Ideal applicants for SHF funding will have a history of collaborating with other community coalitions and/or organizations addressing the specified interests in the proposal. SHF will consider repeat funding for up to three years for any given project, with few exceptions. Funds may be used to support capital expenses and/or staffing to support the goals of the project. New applicants, new collaborative efforts and innovative new programs are strongly encouraged to apply.

(Hard copies will be accepted if received by the due date. This may be particularly applicable for submission of reports from last year's grantees, which may include photos and other documentation as supplemental material. In such case, please indicate "sending by mail" in the electronic version of the proposal, for that section.)
