Part XIII Supplemental Information *(continued)*

Return Reference	Explanation

Additional Data

Software ID:
Software Version:
EIN: 05-0259080
Name: Salve Regina University

Supplemental Information

Return Reference	Explanation
Part II, Line 5	The University entered into a fifty year easement with the Rhode Island Historic Preservation Society in exchange for a grant intended to help defray the exterior restoration of Ochre Court. Ochre Court, an architecturally significant structure, is used to house University administration. The nature of the easement is such that the University must keep the exterior intact and cannot modify said exterior without the express approval of the RI Historic Preservation Society. In addition, said structure's exterior must be allowed to be viewed by the general public. No modifications have been made since the restoration nor has public access been blocked.

Supplemental Information

Return Reference	Explanation
Part II, Line 9	The organization makes no mention of the easement in its financial statements. The easement is between the organization and the State of Rhode Island and stipulates that no demolition or alteration can be made to the exterior of Ochre Court, located in Newport, RI. The organization is aware of the easement and no changes have been made to the exterior thus there is no devoted staff for monitoring, inspecting and/or enforcement of the easement.

Supplemental Information

Return Reference	Explanation
Part V, Line 4	The University uses the endowment funds strictly in accordance with donor intention. The majority of permanent endowment is held for scholarship, teaching, and program expenses. A small portion of the permanent endowment is for student related activities such as athletic programs. The unrestricted endowment is kept in financial reserves to be used at the board of trustees discretion.

Supplemental Information

Return Reference	Explanation
Part X, Line 2	The University accounts for the effect of any uncertain tax positions based on a "more likely than not" threshold to the recognition of the tax positions being sustained based on the technical merits of the position under scrutiny by the applicable taxing authority. If a tax position or positions are deemed to result in uncertainties of those positions, the unrecognized tax benefit is estimated based on a "cumulative probability assessment" that aggregates the estimated tax liability for all uncertain tax positions. The University has identified its tax status as a tax exempt entity as its only significant tax position, however, the University has determined that such tax position does not result in an uncertainty requiring recognition. The University is not currently under examination by any taxing jurisdiction. The University's Federal and state tax returns are generally open for examination for three years following the date filed.

Part I, Line 2	Eligibility for need-based financial aid is determined by federal Department of Education regulations and University policies governing financial aid programs. Using the information provided on the Free Application for Federal Student Aid (FAFSA), the CSS Profile and other required documentation, the Office of Financial Aid will calculate the amount of family resources a family is expected to contribute towards a student's educational costs. These resources, known as the Expected Family Contribution (EFC), are subtracted from a standard budget of educational expenses, or Cost of Attendance. The Cost of Attendance includes direct costs, for which the student receives a billing statement (tuition, fees and on-campus room and board) as well as estimated indirect costs not billed by the University (books, supplies, personal expenses, transportation and off-campus room and board). The difference between the Expected Family Contribution (EFC) and the Cost of Attendance (COA) is the family's maximum eligibility for need-based assistance. To remain eligible for federal, state and institutional financial aid, a student must meet the minimum requirements of satisfactory academic progress as published in the Undergraduate Catalog.

Return Reference	Explanation
Part I, Line 1a	The President and chancellor are allowed use of a residence on campus for both personal and University related business use. Also, by contract, the chancellor is a member of a local social club and country club for which the University is responsible for the payment of dues. Both clubs can be used for both personal and University related business use. Lastly, the president and chancellor have an individual who performs housekeeping services in their residence and an individual who will drive them to university functions. These benefits are not treated as taxable compensation.
PART II	The University was founded by the Sisters of Mercy and has employees who are affiliated with this religious order. Because of the nature of the order and the poverty vows taken by Sisters listed on Form 990, Part VII, W-2 earnings are not reported as these employees are not directly taxable due to religious affiliation. Rather, their compensation is made payable primarily to the Sisters of Mercy and it is the order that determines what portion the employees will receive. Total compensation to the Sisters of Mercy totaled \$721,617 for the 2016 calendar year of which the president and chancellor were a part of.

Provide additional information for responses to questions on Schedule R (see instructions)

Return Reference	Explanation
Part II	Salve Regina University has direct control of a related tax exempt organization named Stanford White Casino Theatre. The purpose of this related organization has been to restore an architecturally significant theatre located in Newport, RI. The nature of control stems from the related organization's board of trustees which is composed of Salve Regina University officers (President and CFO), and two Salve Regina University trustees. The board members serve as a volunteer board, receive no compensation, and are administratively separate. Since completion of the renovation, the University has been able to use the facilities for artistic performance. With the completion of the restoration of the theatre and building opening, the university is now party to a 30 year lease agreement with the building owner, the international tennis hall of fame. Terms of the lease gives the university exclusive use, minus 40 named dates per year at the owners discretion, in exchange for a nominal annual lease payment and assumption of all operating costs. It is now home to the Salve Regina University theatre department.
