### Form 990, Part III, Line 4a:

Founded in 1997, Franklin W Olin College of Engineering, Inc (Olin or the College) is a diversified, gender-balanced undergraduate engineering institution with a dual mission to educate exemplary engineering innovators and to lead the transformation of engineering education. The College has approximately 350 students from around the world and have attracted over 1,300 applicants for the fall 2016 entering class. Olin's innovative approach to engineering education stresses project-based, interdisciplinary learning and encourages students to take control of their own education. Olin students learn 21st century skills and perspectives through authentic engineering challenges and entrepreneurial experiences. Olin has forged active partnerships with neighboring Babson and Wellesley Colleges and has co-designed transformative educational experiences with a broad range of collaborators from around the globe. Every admitted student receives an eight semester half tuition merit scholarship over four years. The College is accredited by the New England Association of Schools and Colleges (NEASC) and the College's three degree programs are accredited by ABET, the accrediting organization for engineering programs.

---

### **Form 990, Part III, Line 4b:**

Olin College's Collaboratory is an expanded effort to accelerate the transformation of engineering education - a nexus for the development and exchange of educational ideas and approaches to change the way engineering is taught across the world. Today's complex global challenges - from sustainability, to cyber security and eradication of disease - require the education of technical innovators who are able to navigate political, economic and cultural boundaries. The Collaboratory initiative has had a tremendous impact in a short period of time through a series of outreach efforts, including visits from colleges, universities, high schools, and policy and business leaders. Its Summer Institute has hosted educators seeking leadership, inspiration, and help in changing their own educational programs. During FY17, the Collaboratory hosted 102 programs (mainly visits and workshops) that involved representatives from 141 other institutions from around the US and the globe. Olin is playing a significant role in the movement to transform educational practice across the globe, including significant changes to curriculum at twelve institutions.

Schedule D, Part X, Line 2	<p>The College accounts for the effect of any uncertain tax positions based on a "more likely than not" threshold to the recognition of the tax positions being sustained based on the technical merits of the position under scrutiny by the applicable taxing authority. If a tax position or positions are deemed to result in uncertainties of those positions, the unrecognized tax benefit is estimated based on a "cumulative probability assessment" that aggregates the estimated tax liability for all uncertain tax positions. The College has identified its tax status as a tax exempt entity as its only significant tax position, however, the College has determined that such tax position does not result in an uncertainty requiring recognition. The College is not currently under examination by any taxing jurisdictions. The College's Federal and State tax returns are generally open for examination for three years following the date filed.</p>

Schedule J, Part I, Line 1a	As a condition of employment and for the convenience of the College, the President is required to reside in College-provided housing. The College pays for the landscaping and cleaning services of the public areas of the President's house since certain College functions are held there. The estimated fair market rental value of the College-provided housing, based upon an independent opinion of value, is \$52,000 for the 2016 calendar year. This amount is not included as taxable wages and is disclosed as a part of Nontaxable Benefits. As a condition of employment and for the convenience of the College, the Dean of Student Affairs is required to reside in College-provided housing. The estimated fair market rental value of the College-provided housing, based upon an independent opinion of value, is \$27,500 for the 2016 calendar year. This amount is not included as taxable wages and is disclosed as a part of Nontaxable Benefits. Nine officers are provided with a cell phone allowance which is grossed up.
Schedule J, Part I, Line 3	On an annual basis, the Executive Committee of the Board of Trustees reviews the President's salary. In July 2017, a nationally recognized consultant was engaged to conduct a compensation analysis for the President, Vice President and Dean positions. Their analysis report was submitted to Board Chair in September 2017. Recognizing the uniqueness of Olin College, they used four groups in their analysis: * National Private Independent Colleges and Universities with Significant Engineering Programs of Comparable Complexity to Olin * National Private Independent Colleges and Universities with Bachelor, Master's or Doctorate Programs of Similar Size * Predominantly Northeast Regional Top Liberal Arts Colleges * Private Independent Colleges and Universities in Massachusetts with Bachelor, Master's or Doctorate Programs of Similar Size. For each group, the consultant analyzed base salary, total cash compensation and total compensation for the 25th, 50th, 75th and 90th percentiles and adjusted the market data to a common effective date of July 1, 2017. A set of Composite Estimated Market Values was calculated to supplement the market values of each individual group. The Executive Committee used this data to develop a recommendation for the President's compensation which was reviewed and approved by the full Board of Trustees. The President used this data to develop recommendations for the compensation of the Vice Presidents and Deans which were reviewed and approved by the Executive Committee. All decisions regarding compensation are approved by independent persons and all deliberations and decisions are substantiated contemporaneously.
Schedule J, Part I, Line 4	An officer resigned in 2016 after 17 years of service and received a severance payment of \$126,953.

<b>Return Reference</b>	<b>Explanation</b>
Form 990, Part VI, Section B, Line 15	<p>On an annual basis, the Executive Committee of the Board of Trustees reviews the President's salary. In July 2017, a nationally recognized consultant was engaged to conduct a compensation analysis for the President, Vice President and Dean positions. Their analysis report was submitted to Board Chair in September 2017. Recognizing the uniqueness of Olin College, they used four groups in their analysis: * National Private Independent Colleges and Universities with Significant Engineering Programs of Comparable Complexity to Olin * National Private Independent Colleges and Universities with Bachelor, Master's or Doctorate Programs of Similar Size * Predominantly Northeast Regional Top Liberal Arts Colleges * Private Independent Colleges and Universities in Massachusetts with Bachelor, Master's or Doctorate Programs of Similar Size. For each group, the consultant analyzed base salary, total cash compensation and total compensation for the 25th, 50th, 75th and 90th percentiles and adjusted the market data to a common effective date of July 1, 2017. A set of Composite Estimated Market Values was calculated to supplement the market values of each individual group. The Executive Committee used this data to develop a recommendation for the President's compensation which was reviewed and approved by the full Board of Trustees. The President used this data to develop recommendations for the compensation of the Vice Presidents and Deans which were reviewed and approved by the Executive Committee. All decisions regarding compensation are approved by independent persons and all deliberations and decisions are substantiated contemporaneously.</p>
