Part I, Line 2	Student aid is awarded on an annual basis based on the need of the family. The following procedures are followed when granting aid: Parents start the application process by submitting an application to TADS (Tuition Aid Data Services) which provides an independent opinion of an appropriate need-based award amount to the school. The school's financial aid committee then reviews the application and other relevant documentation, along with the recommendation by TADS and determines the financial aid amount to be awarded to each student. Once aid is granted, the aid is applied to the student's enrollment contract and any other auxiliary services, reducing the total amount of tuition and/or auxiliary services to be paid for by the family for the school year.
