Part X, Line 2	The Foundation is exempt from income taxes under Section 501(c)(4) of the Internal Revenue Code. As such, the Foundation is exempt from state and federal income taxes on income related to its tax exempt purpose. Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken and recognize a tax liability (or asset) if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by taxing authorities. Management has analyzed the tax positions taken and has concluded that as of June 30, 2017, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The foundation is subject to routine audits by taxing jurisdictions, however, there are currently no audits for any tax periods pending or in progress.
