A major goal of United Way of Northern New Jersey is to identify the barriers to significant change for societal problems. On many levels, New Jersey is an affluent state one with high median incomes, quality schools and prosperous corporations. But look a little more closely you will find that within this affluence, a growing number of people are barely getting by. ALICE an acronym for Asset Limited, Income Constrained, Employed lives in every county in New Jersey and represents the growing number of individuals and families who are working hard but are unable to afford the basics. United Way's strategy is focused on tackling the underlying causes of financial instability the lack of a quality Education, insufficient Income, and poor Health. The first step in our approach is to determine where the fault lines exist by assembling the best data and listening to community leaders of all backgrounds. From that solid foundation, United Way takes on filling gaps in services and advocating for changes in public and business policies. And, because we recognize that no one entity alone can resolve these problems, United Way also provides grants to community partners who already provide critical supports to individuals and families in need. While the community impact pillars of Education, Income and Health provide specific outcomes for serving the needs of the ALICE population, there are other services needed that we provided which may not easily be defined by those categories. 36,000 school supplies equipped more than 9,700 students, 7,000 food and personal care items stocked local pantries and shelters, 1,000 articles of winter clothing kept families warm, 6,360 volunteers inspired to donate 146,500 hours of manpower, valued at \$3.5 million, funding NJ211 as well as other needs of a more generalized nature.

Supplemental Information

Return Reference	Explanation
Part V, Line 4	United Way of Northern New Jersey's endowment consists of funds established for a variety of purposes. Its endowment includes both donor restricted endowment funds and funds designated by the Organization to function as endowments. As required by accounting principles generally accepted in the United States of America ("GAAP"), net assets associated with endowment funds, including funds designated by the Organization to function as endowments, are classified and reported based on the existence or absence of donor imposed restrictions. United Way of Northern New Jersey has an annual endowment spending policy that is specifically designed to assist in funding annual programming objectives and to preserve the value of the investment portfolio over time. The spending policy is between 5% and 6% of the fund value averaged over the preceding five year period as of June 30th of each period. In establishing this policy, United Way of Northern New Jersey considered the long term expected return on its endowment. Accordingly, over the long term, United Way of Northern New Jersey expects the current spending policy to allow its endowment to grow and maintain its value to support operations in the future. To meet these objectives, United Way of Northern New Jersey utilizes a total return investment approach which emphasizes total investment return, consisting of investment income and realized and unrealized gains or losses and, accordingly, invests in equities, fixed income, and money market accounts. In addition to the general endowment funds, there are funds functioning as endowments which have donor imposed restrictions as to time and purpose, along with varying valuation dates and formulas for the calculation and release of same.

Supplemental Information

Return Reference	Explanation
Part X, Line 2	Income Taxes - United Way of Northern New Jersey is a not-for-profit corporation exempt from Federal income taxes under Section 501(c)(3) of the Internal Revenue Code. As such, no provision for income taxes has been recorded in the statements of activities and changes in net assets. The Financial Accounting Standards Board issued guidance on accounting for uncertainty in income taxes. Management evaluated the Organization's tax positions and concluded that the Organization had taken no uncertain tax positions that require adjustment to the financial statements to comply with the provisions of this guidance.
