Return Reference	Explanation
Compensation Information PART I, LINE 1	The Stevens Institute of Technology guidelines regarding spousal travel are included in the Stevens Business and Travel Expense Policy. Expenses incurred for accompanying companions/spouses are considered personal in nature except on occasions when attendance of a companion/spouse at an event serves a bona fide business purpose for the University and the presence of the companion/spouse is essential (not just beneficial) to the employee being able to carry out the business purpose for the University, given that attendance is essential, this is not taxable to the employee. Campus housing is provided for the University President and is used for program and development purposes. The following officer/key employees also received a housing allowance which is included in their taxable income: Kathy L. Schulz, George Korfiatis. There is one instance in which a club membership is in the name of an individual due to club imposed membership rules. This membership is solely for business purposes to foster relationships within the New York metropolitan area for the University. Personal services are provided to the President in the form of housekeeping by an employee of the Physical Plant department. The value of these services is included as taxable income and is disclosed as part of his Schedule J Part II, Column B (iii), Other Reportable Compensation.
Incentive Compensation, PART I, LINE 7	The Stevens Incentive Compensation Plan provides a mechanism to reward faculty, administrative leaders, and certain key staff for extraordinary performance over a period of one academic year where permitted by law. In contrast to merit-based salary increases, annual incentives do not increase base salary. Incentive compensation may be awarded upon a finding by management that an employee's work has been extraordinary and has clearly contributed toward the goals and mission of Stevens. Incentive compensation, even in cases of extraordinary performance, is not guaranteed, and decisions regarding incentive compensation will be subject to the Board of Trustees and others' determinations as to the financial results of the University and other factors not specified in the plan. Incentive compensation for faculty, staff and administration are recommended by managerial staff, are approved by the President and are within parameters established by the Board of Trustees. Incentive compensation for executive leaders is recommended by the Human Resources Committee of the Board of Trustees and approved by the Human Resources Committee or the full Board of Trustees as part of its consideration of this group (and as further described in Schedule O). Each year, the Human Resources Committee approves the annual performance goals for the executive leaders and will review with the President the process for determining them for each other group or sub-group of employees.
Compensation Information, Part II Line 3	Part II, line 3 contains information about the compensation of the University's President, Dr. Nariman Farvardin, paid during the year. All amounts were paid pursuant to the President's written five-year contract. In addition to his annual base salary of \$734,013, these amounts include (i) a one-time incentive compensation payment of \$625,000 associated with specific metrics specified by the University's Board of Trustees and achieved over the course of his first five-year term as President and payable in full at the end of his fifth year and (ii) an annual incentive compensation payment of \$202,800 associated with achievement of separate metrics for the University's fiscal year ended 6/30/16. All incentive compensation amounts were based upon determinations by the full Board of Trustees that objective metrics relating to the University's Strategic Plan were achieved and, in many cases exceeded with exceptional performance. In addition, such amounts were reviewed and evaluated for market comparability by the University's independent compensation consultant.

990 Schedule O, Supplemental Information

Return Reference	Explanation
Governing Body and Management - Form 990, Part VI, Line 3	The full legal name of the University is The Trustees of the Stevens Institute of Technology. Stevens Institute of Technology is commonly used as a "doing business name." Stevens' Board of Trustees delegated to a prominent investment bank the management of Stevens' endowment pursuant to contracts which address the scope of the delegation of authority, monitoring by Stevens' management and the Board, and reporting, among other matters. The University retained Attain, LLC, to provide the services of a professional trustee to serve as the Chair of Stevens Audit Committee (as contemplated by the University's by-laws). During fiscal year 2017, the university paid Attain \$66,447 for these services. This role was filled by Ronald E. Salluzzo, a senior partner in the higher education and academic medical center practice at Attain. Governing Body and Management - Form 990, Part VI, Line 4. During the year, the Board of Trustees conducted a review of Stevens Bylaws and committee charters in light of various changes in applicable law and regulations and current practices among tax-exempt universities. The Board approved revisions to the Bylaws and the charter of the Executive Committee to support the efficient functioning of the Board's Executive Committee in acting on behalf of the Board of Trustees in limited circumstances and notification to the full Board of such action, implementation of a trustee evaluation process prior to re-election for a subsequent term in lieu of fixed term limits and clarification of the status of the president as a voting ex-officio member of the Board, along with a number of housekeeping changes. The Board expects to conduct a review of this type from time to time as a matter of good governance. Form 990 Review - Form 990, Part VI, Line 11B. This Form 990 was prepared by members of the finance and legal offices of the University together with its outside tax and accounting firm specializing in higher education. The Form 990 was then presented to the Audit Committee of the Board of Trustees for review and approval. Following this process and any modifications recommended by the Audit Committee, the Form 990 was presented to a meeting of the full Board of Trustees of the University and approved in accordance with the By-Laws of the University.

990 Schedule O, Supplemental Information

Return Reference	Explanation
Conflict Of Interest - Form 990, PART VI, LINE 12C	The University's conflict of interest policy requires ongoing compliance and self-reporting of conflicts. It also provides for completion of an annual disclosure form by all Trustees, officers and faculty. Each disclosure form is reviewed by the Office of Audit, Risk and Compliance, and disclosure forms for trustees and officers are reviewed by the Office of General Counsel, all conflicts of interest are reported to the Audit Committee of the Board and to the Board of Trustees. Information disclosed in the disclosure forms which indicates the presence of a conflict is investigated, discussed with relevant personnel and, if necessary, the conflict is eliminated or managed pursuant to a conflict management plan or device supervised by the Chair of the Board of Trustees or the Chair of the Audit Committee, with advice from the Office of Audit, Risk and Compliance and the General Counsel. In addition, conflicts are identified by the officers of the Institution and staff at other levels of the Institution as they arise from time to time and are referred to the Office of Audit, Risk and Compliance and the General Counsel for further analysis and resolution. Certain conflicts relating to research activities may be managed by the Director of the Office of Sponsored Programs, with advice from the Office of Audit, Risk and Compliance and the General Counsel.

In addition to the President for calendar year 2016, 5 additional positions were approved: Provost and University Vice President, Chief Financial Officer and Treasurer, Dean of School of Systems Engineering, Dean of School of Engineering and Science, Dean of School of Business. With respect to the following additional positions, the Human Resources Committee of the Board of Trustees, acting on behalf of the Board of Trustees, approved the compensation at duly held meetings of the Committee. The Board was fully informed of the Committee's actions: Vice President, General Counsel and Secretary, Vice President for Alumni and Development, Vice President for Facilities and Campus Operations, Vice President for Enrollment Management and Student Affairs, Vice President for Information Technology, Vice President for Communications and Marketing, Vice President for Human Resources, Chief of Staff and Director of Government and Community Relations. All such compensation was determined based upon recommendations from the President (except with respect to the President, whose compensation is recommended by the Board of Trustees, and the Deans and faculty, whose compensation is recommended by the Provost). The University retains the services of a national professional compensation consulting firm to perform a comprehensive compensation assessment of the salaries of all members of the senior administration, including the President. This study includes a comparison of the University's salaries with a core comparison market. The results of the study are reviewed and discussed annually with the Board's Human Resources Committee and the Board of Trustees, as those bodies approve executive compensation. The Secretary to the Board of Trustees took contemporaneous minutes of each meeting of the Board and the Human Resources Committee at which these compensation decisions were made, except with respect to her own compensation.
