| Schedule I, Part I, Line 2 | All grants including cash and noncash are monitored by the organization for compliance with the outlined use of funds. The four food regional food banks receive funding to supplement their food distribution operations. Employees make annual site visits to ensure that the regional food banks are operating as intended. Agencies that are allowed to make food purchases or receive food or commodities under the governmental programs are reviewed annually to ensure eligibility. Site visits are performed on a random basis to ensure that the agency is in compliance with food storage requirements and to see that the food is being used appropriately. Additionally, all distributions are verified monthly to ensure that the purchases and distributions are appropriate for the type of agency operations. Agencies that do not meet the eligibility requirements or that do not stay in compliance will no longer be able to receive distributions or make purchases. |
