990 Schedule H, Supplemental Information

Form and Line Reference	Explanation
Schedule H Part VI	Devereux operates the Children's Behavioral Health Center in Malvern, PA, a 49-bed private psychiatric facility that provides care to children and adolescents ages 4 - 17
Schedule H Part I	In advancement of its charitable mission, Devereux accepts clients with limited or no ability to pay for services. A client is classified as a charity client based on established written policies. Charity services are defined as those for which no payment is anticipated. In assessing a client's ability to pay, Devereux uses federal poverty income levels, but also includes cases where incurred charges are significant relative to income. Under certain governmental reimbursement programs, Devereux has been paid an amount less than actual costs due to agency budgeting constraints or other factors. The economic loss attributable to such programs is also reported as charity care. Charity care amounts are not included in net client revenue or accounts receivable. The amount of charges forgone, based on established rates, for services provided to clients that qualify for charity care and the economic shortfall attributable to unreimbursed costs of certain programs for all Devereux locations aggregated \$11,664,000 and \$11,092,000 in 2017 and 2016, respectively

990 Schedule H, Supplemental Information

Form and Line Reference	Explanation
Schedule H Part I	Devereux also provides a variety of services and benefits within the communities in which it operates, for which no compensation is received. The cost of these services has not been quantified and, therefore, is not included in the charity care amounts listed above.
Schedule H Part III A 4	Refer to page 9 in the attached financial statements for Devereux's footnote regarding bad debt expense.

990 Schedule H, Supplemental Information

Form and Line Reference	Explanation
Schedule H Part V 15e	In fairly limited situations, Devereux may refer the outstanding bill to a third party for collection Center management will work with corporate management before proceeding in utilizing a third party for collection
Schedule H Part V 21	Devereux facilities do not operate an emergency department Nearly all of Devereux's clients come by way of referral from a physician, insurance company, governmental agency, or other healthcare facility

990 Schedule H, Supplemental Information

Form and Line Reference	Explanation
Schedule H Part V	Devereux provides an allowance for uncollectible accounts for estimated losses resulting from the unwillingness or inability of patients or payors to make payments for services. The allowance is determined by analyzing specific accounts and historical data and trends. Accounts receivable are charged off against the allowance for uncollectible accounts when management determines that recovery is unlikely and Devereux ceases collection efforts. Losses have been consistent with management's expectations.
Schedule H Part V 24	Devereux has relatively few private pay patients who pay the standard rate for care.

990 Schedule H, Supplemental Information

Form and Line Reference	Explanation
Schedule H Part V Section D	The organization also operated hundreds of community group homes that generally serve up to 6 individuals with mental health issues or developmental disabilities. These homes are designed to allow clients to live as independently as possible in the community, rather than an institutional setting. These are not individually listed in Part V, Section D.

Form 990 Part VI Section B Line 12c	Representatives of Devereux dealing with clients, parents, guardians, vendors, competitors or anyone who does or seeks to do business with Devereux are required to act in Devereux's best interests, disregarding any personal preference or advantage. Representatives shall make prompt and full disclosure to his/her manager and to the Internal Audit Department (and, in the case of Trustees and senior managers, to the Board's Audit and Compliance Committee) via the Devereux Conflict of Interest form of any prospective or actual situation that involves, may involve, or might appear to involve a conflict of interest. Members of the same family or living within the same domicile may be employed by Devereux in the same center or department unless the center Director or department head determines such employment is not in Devereux's best interest. Relatives of senior management or trustees, as well as those working in Human Resources, Payroll, and Internal Audit, shall not be hired by Devereux in any capacity unless approved in advance by the President/CEO. Each Devereux employee has the responsibility to report any actual or perceived conflicts of interest to management, Human Resources, the Vice President of Audit & Compliance or the Employee Helpline. The Helpline is an anonymous "whistleblower service", where complaints are processed by an independent third party retained by Devereux for this purpose and subsequently referred to the Vice President of Compliance. Annually, a copy of Devereux's business ethics policy is mailed or e-mailed to trustees, officers, directors and key personnel along with the annual Conflict of Interest Disclosure Statement, which must be signed and returned to the Director of Internal Audit within 30 days. The annual disclosure requires an acknowledgment of understanding Devereux's business ethics policy, as well as disclosure of any conflict, or appearance of a conflict, between personal interests and the interests of Devereux. Failure to comply or falsification of disclosure may result in disciplinary action, including possible dismissal. Newly-hired employees in the categories identified above are given this policy on the first day of their employment and are required to complete the annual Conflict of Interest Disclosure Statement immediately. All employees disclosing a conflict or potential conflict must have the Disclosure Statement reviewed and signed by the Executive Director at their location (President/CEO for Corporate staff) prior to sending it to Audit Services. All Annual Conflict of Interest Disclosure Statements identifying a conflict or potential conflict are reviewed by the Vice President of Audit & Compliance and any other officers or senior management determined to be appropriate, and submitted to the Audit & Compliance Committee of the Board of Trustees for review. No Disclosure Statement may be reviewed by the person submitting it or by a person directly supervised by the person submitting the report.

990 Schedule O, Supplemental Information

Return Reference	Explanation
Form 990 Part VI Section B Line 15b	Devereux reviews officers/Executive Directors' salaries against the market on an annual basis in connection with the July meeting of the Executive Committee of the Devereux Board of Trustees, which serves as the Board's Compensation Committee. However, reviews may occur at other times to respond to changes in the market. During this benchmarking process, the Vice President of Human Resources conducts a review of salaries for benchmark positions for which there is sufficient market survey data and is focused on nonprofit competitors. Additionally, Form 990s of other comparable organizations are also reviewed on an annual basis from an analysis compiled by the Controller. The results of these reviews are compared against all Executive Director/officers' salaries. The review is intended to make Devereux's compensation both reasonable and competitive. The Vice President of Human Resources will make recommendations for adjustments, if necessary. Devereux's market for this salary review is primarily focused on similarly sized organizations (budget, number of employees, revenue) in the behavioral health industry and structure (system vs. single entities). However, industry-wide health care and general industry data as provided by the U.S. Department of Labor or other sources as well as residential and educational surveys that become available or that Devereux may conduct may also be factored into the review. The results of the review conducted are typically validated by an outside compensation consultant at least every 2 years.
