Form 990 (2016)

Form 990, Part III, Line 4a:

WellSpan Philhaven's inpatient psychiatric program is available to individuals who are in most severe distress and/or danger of harming themselves or others. The inpatient program provides a 24-hour a day therapeutic milieu and interventions that serve to stabilize acute psychiatric symptoms. Services are provided to children and adolescents ages three to eighteen and adults over eighteen years of age. Typical length of stay is approximately eleven days for both adults and children/adolescents. Additionally, Philhaven offers extended acute psychiatric inpatient services for adults that require long-term intensive interventions to stabilize their symptoms. Once behavioral stabilization is achieved, the patient is then prepared for transition to the next appropriate level of care. WellSpan Philhaven's children's and adolescents' Behavioral Health Rehabilitation Services (BHRS) program includes both community based and after school services. The goal of all BHRS services is to enhance the child's or adolescent's ability to function emotionally, socially and behaviorally. Individualized interventions serve to facilitate youth's behavioral stabilization and emotional growth. Mental health specialists help youth learn skills and coping strategies which enable the youth to prevent deterioration and more restrictive services. Afterschool services are provided Monday through Friday after school for children ages six to twelve years. Community based services are provided in schools and homes by trained therapeutic support staff, mobile therapists and behavioral specialist consultants. The outpatient program provides the least restrictive type of mental health treatment available at WellSpan Philhaven. Staff who are professionally trained in psychiatry, psychology, social work and counseling strive to provide outpatient services to clients in a conscientious and caring manner as they work toward their therapeutic goals. WellSpan Philhaven strives to provide individuals and their families with the skills and resources necessary to live healthy, fulfilled lives within their homes and communities. Specific services offered include evaluations and assessments, psychiatric medication management, psychiatric consultation, individual therapy, family therapy, group therapy and marriage counseling. Part I, Line 6a - Related Organization Community Benefit Report	Community Benefit Information is included in the Community Benefit Report for WellSpan Health
Part III, Line 2 - Methodology Used To Estimate Bad Debt Expense	The number was calculated using the cost to charge ratio factor applied against actual patient bad debt write-offs

990 Schedule H, Supplemental Information

Form and Line Reference	Explanation
Part III, Line 4 - Bad Debt Expense	The Company provides an allowance for doubtful accounts for estimated losses resulting from the unwillingness or inability of patients to make payments for services. The allowance is determined by analyzing specific amounts and historical data and trends. Patient accounts receivable are charged off against the allowance for doubtful accounts when management determines that recovery is unlikely and the Company ceases collection efforts. Losses have been consistent with management's expectations in all material respects.
Part III, Line 9b - Provisions On Collection Practices For Qualified Patients	Guidelines for suggested minimum number of phone attempts and letters to be sent before the account is turned over to an outside collection agency are included in the Patient Administrative Services Policy. Upon final PARO (Payment Assistance Rank Ordering) scoring, if a patient qualifies for presumptive charity, their account would not be forwarded to any third party collections. It shall be the policy of Patient Administrative Services to recommend accounts to Bad Debt on a timely basis. Inpatient/Outpatient accounts will go to bad debt automatically after the account has been in the financial class Pending Bad Debt for 30 days. All accounts must follow the approved limits for refunds and write offs, as established in Policy PF-102, before being transferred. The primary agencies will work the accounts for 6 months or until they feel it is uncollectable and return the account. The accounts are forwarded to secondary agencies from the primary agencies Closed and Return Reports. The financial class is changed to Bad Debt Other after the Closed and Return Reports are received from the Secondary Agency. The agencies must get written approval from the manager in the relatively rare instance of legal action being taken to collect the debt.

Part VI - Needs Assessment	After its affiliation with WellSpan Health, a regional health care system, WellSpan-Philhaven adopted the current CHNA conducted by WellSpan, started in 2014 and finalized in 2015. This CHNA enabled WellSpan-Philhaven to access primary data collected across its multiple county service area, share it with key community, hospital and system leaders, and integrate it into the system-wide and entity-level planning processes. Through the consulting support of the Floyd Institute for Public Policy at Franklin and Marshall College, a representative sample of 3422 adults across the four-county region (769 Adams County, 729 Lancaster, 896 Lebanon, and 1028 York) were interviewed between two time periods: October 27-December 12, 2014 and February 23-May 5, 2015, using survey questions derived from the Behavioral Risk Factor Surveillance System (BRFSS), a validated survey tool utilized by the Centers for Disease Control and Prevention (CDC). BRFSS questions were organized into four categories: healthcare access, behavioral risk, health conditions, and prevention behaviors and context. Supplemental secondary data from the Robert Wood Johnson Foundation (RWJF) annual County Health Rankings and from the Pennsylvania Department of Health was compiled and integrated into the 2015 CHNA. Data collected and analyzed by the Floyd Institute for Public Policy included breakdowns by age, gender, geographic area, race/ethnicity, and income level, and enabled the development of charts/graphs focused on: quantity of residents affected, health risks and disability-adjusted life years, correlates of obesity and depression (two significant health priorities), health disparities, and social determinants of health impact. This information is included in the 2015 Community Health Needs Assessment Summary Report available at www.wellspan.org. In 2015, CHNA results and related priorities identified across the region were shared with the system-wide Planning Committee at WellSpan Health. This Committee is comprised of community members and leaders that represent each of WellSpan's primary entities and service areas, in addition to corporate leadership. Planning Committee members reviewed the CHNA data and adopted the community priorities of adult overweight/obesity and depression/mental health while also identifying two additional priorities: access related to gaps in care caused by high-deductible insurance plans and the emerging opioid misuse and abuse issue facing the community. These priorities and associated data were subsequently presented to WellSpan-Philhaven leadership for their adoption. CHNA results were made available to the public on the WellSpan Health (www.wellspan.org) website, and may also be obtained upon request.
Part VI - Explanation Of How Organization Furthers Its Exempt Purpose	As the largest behavioral health provider in southcentral Pennsylvania, WellSpan-Philhaven is committed to transforming care by integrating behavioral and physical health services in the primary care setting, training hundreds of community members in mental health first aid, and increasing awareness of and prevention opportunities for key behavioral health issues. WellSpan-Philhaven also plays leadership roles on community behavioral health-related task forces including Let's Talk Lancaster!, the Lebanon County Suicide Prevention Task Force, Opioid Aware, a regional multi-sector collaborative seeking to create coordinated messaging, outreach and management of opioid users in southcentral Pennsylvania, and, multiple county-level opioid prevention committees. Creating a new system of behavioral health care both in the practice setting and the surrounding community is occurring through the recent affiliation between Philhaven and WellSpan Health. In 2017, WellSpan-Philhaven accomplished the following: *Assisted 88 clients, ages 6-15, learn 614 new skills through the Summer Therapeutic Activities Program (STAP), *Trained more than 1,400 individuals through Mental Health First Aid and other courses designed to help a friend or co-worker through a behavioral health crisis, *Support masters and doctoral level internships within primary care and specialty practice offices, and, *Served more than 535 clients with depression and anxiety screenings at the WellSpan Philhaven Center for Integrated Healthcare in Lancaster. Additionally, through a partnership between WellSpan Philhaven, WellSpan-Ephrata Community Hospital, and a Lancaster-based Target store, a sensory-friendly Christmas shopping experience was offered to Lancaster County families who have autistic children. Target staff participated in a sensory integration training session prior to the event, and clinicians were on hand to assist families attending the event. Since its integration with WellSpan Health, WellSpan-Philhaven has also participated in system-wide initiatives to address the shared community health priorities of depression (mental health) and adult overweight/obesity. The Feeling Blue depression awareness campaign (www.feeling-blue.com) originated as a resource for York and Adams County adults suffering from mild depression. In 2016, Feeling Blue expanded across the four-county service area of WellSpan Health and continues to be a valuable resource for its community members. In addition, WellSpan Health celebrated the 5th anniversary of its regional 10Lb Throwdown initiative, a 10-week community challenge that encourages participants to lose or maintain a healthy weight through healthier eating and increased physical activity. The initiative was created to address the growing issue of adult overweight/obesity, and utilizes a core website (www.10poundthrowdown.com) to encourage team participation and to offer an online weight tracker, badges to encourage healthier choices, and diverse health education resources. More than 6200 community members across four southcentral Pennsylvania counties (Adams, Lancaster, Lebanon, and York) participated in the 2017 iteration of the 10Lb Throwdown program; this represents a 66.5% increase over the prior years' program enrollment. Additional examples of how WellSpan-Philhaven has advanced behavioral health and fulfilled its community mission across southcentral Pennsylvania may be found in the 2017 WellSpan Community Benefit Report: It's What Neighbors Do, available online at www.wellspan.org.

Part V, Line 5 - Account Input from Persons Who Represent the Community	Prior to its affiliation with WellSpan Health in 2016, WellSpan-Philhaven conducted an independent Community Health Needs Assessment (CHNA) across its multi-county service area. The most recent CHNA, finalized in May 2013, employed secondary data and input obtained at two community forums to identify the following three priorities: the need for integrated treatment models, a focus on the prevention of behavioral health issues, and, a reduction in emergency department usage by those experiencing mental issues. In 2016, WellSpan-Philhaven affiliated with WellSpan Health and, as such, reviewed and adopted the current WellSpan CHNA, finalized in May 2016. The service areas of both WellSpan Health and WellSpan-Philhaven are nearly identical and system leadership felt that, given the chronological alignment of data collection and analysis, CHNA adoption was appropriate. Therefore, the WellSpan Planning Committee prioritized results from the CHNA and these results were presented to WellSpan-Philhaven leadership for their adoption. In addition, CHNA results were also presented at county-specific community forums for the diverse input of county residents and community stakeholders.

Grantmaker's Description of How Grants are Used	All WellSpan entities follow WellSpan policies and procedures regarding grant projects to ensure that the use of grant funds are consistent with WellSpan's commitment to endeavor to improve the health status of the communities that we serve The WellSpan foundations are supporting organizations and substantially all of the grants and other assistance they make furthers the exempt purposes of their "supported organizations", each of which are exempt affiliated organizations within the WellSpan Health system Because the supported organizations identify the projects and exempt activities that will be funded by the foundations' grants and other assistance, and because there is a cross-over between the respective governing bodies and management of the foundations and their supported organizations, the foundations are able to effectively monitor that the grants they make are used for their intended purposes
