In partnership with others, they have met the challenges and needs of our growing community since the Seton Infirmary opened its doors in 1902. To continue to sustain this legacy, Seton Hays Foundation created endowment funds to support the healthcare ministry of Seton Family of Hospitals. The principal of an endowment is never touched. Return Reference	Explanation
Schedule I, Part I, Line 2 Procedures for monitoring use of grant funds	The Seton Healthy Communities Fund Committee is responsible for the administration of grant funds. The Committee includes employees as well as executives and is charged with reviewing requests from other organizations and determining whether they meet the Network's charitable request guidelines. The requesting organizations submit letters specifying the amount of contribution requested and details of its program. Each entity must provide its IRS 501(c)(3) determination letter (as evidence of tax-exempt status), a history of its use of funds, a list of other funding sources and a list of Board of Directors. Requestors also are asked to identify the Organization's purpose, the activities that reflect consistency with its stated purpose and provide a description as to how funds will be used. Generally, a successful requesting organization will spend at least 60 percent of its annual expenses on program activities, ensure that fundraising expenses are reasonable over time and will not have a persistent deficit in net current assets. In awarding funds, the Grants Committee looks for organizations that: - Have a mission aligned with Seton's mission, vision and values (e.g., improving the health of those we serve, particularly the poor and vulnerable), - Can demonstrate that the event or activity will enhance access to health-related services and human service needs, improve health outcomes, provide health-related education, information and support, and/or other sustainable impact. - Provide outreach in Seton's service area, support a diverse population, support workforce development and/or help sustain a relationship with a potential or existing Seton stakeholder. Generally, the committee, pursuant to its policies and procedures, confirms prior to any award that grantees are organizations whose headquarters and work are based in Central Texas, or the work for which we granted them a sponsorship is in Central Texas, and post-award we generally receive confirmation of how the funds were used.
