990 Schedule O, Supplemental Information

Return Reference	Explanation
Form 990, Part IV, Line 18	For Pelotonia LLC, the disregarded entity reported in Schedule R, the majority of gross fundraising income is comprised of (1) the operating funds pledged by the corporate funding partners, (2) the registration fees paid by the riders and (3) the donations raised by Pelotonia's riders, virtual riders and volunteers. With regard to the first category, the corporate funding partners underwrite Pelotonia's annual operating expenses, including all staff, office and event costs as well as all of the costs of processing the donations raised by the riders, virtual riders and volunteers. Often these corporate funding partners make a multi-year pledge to underwrite operating expenses each year for a designated number of years, however, the total amount of the multi-year pledge is booked on an accrual basis and held as a receivable. With regard to the second category, riders pay non-tax deductible registration fees that are also used to defray Pelotonia's operating costs. With regard to the third category, riders and virtual riders each agree to a minimum fundraising commitment that is satisfied through donations received by or made by the riders and virtual riders. These donations are deposited and maintained in an account that is entirely separate from Pelotonia's operating account and 100% of these donations are transferred to The Ohio State University Foundation to be directed to cancer research at The Ohio State University Comprehensive Cancer Center and James Cancer Hospital. Because Pelotonia's fundraising period for each of its events starts in December of one year and ends in November of the next year, the donations reported on the 990 in any particular fiscal year actually represent donations raised for two different Pelotonia events - i.e. donations for the event that was ongoing between July and November of a particular year and the donations for the event that was ongoing between December and June of the next year.
