## Section D, Line 2

The Association of Notre Dame Clubs, Inc. - Staten Island (supporting organization) maintains a close and continuous working relationship with the University of Notre Dame du Lac primarily via Clubs' volunteer staff, University alumni management personnel, and both regional directors and the national alumni board of directors. The contact with officers of the clubs is maintained by staff through proactive outreach based on election cycles of each individual club, on-boarding new officers, ongoing contact and support via phone, email, and social media, as well as formal reporting of club activity on an annual basis. Club support is maintained through active outreach on the part of the University to the Clubs through regular periodic update sessions made available to the Club as well as frequent contact initiated by Club officers to the Association.

## Section D, Line 3

The Club's assets are predominately in cash accounts and are typically kept in these accounts because the balance is less than the amount necessary for one operating cycle's expenses. As a result, the Club maintains minimal investable assets, so no investment policy input is needed from the supported organization. This is also the case because funds raised by the Club are typically at least annually forwarded to the supported organization, whose management investment expertise would then control asset allocation and investment policies, and determine scholarship recipients related to funds received from the Club. As mentioned above, the close and continuous working relationship is maintained by regular interactions between the Alumni Association

Section E, Lines 2a and 2b

The Association of Notre Dame Clubs, Inc. - Staten Island, along with

approximately 220 other Alumni Clubs throughout the country, work to

engage a vast number of alumni and friends throughout the country. The
