Footnote for uncertain tax position under FIN 48 (Part X)	AF has adopted accounting principles related to accounting for uncertainty in income tax positions. AF's policy is to record a liability for any tax position taken that is beneficial to AF, including any related interest and penalties, when it is more than likely that the position taken by management with respect to a transaction or class of transactions will be overturned by a taxing authority upon examination. Penalties and interest related to underpayment of income taxes are not recorded as income taxes but as penalties and interest expense. Management has determined that it does not have any material unrecognized tax benefits or obligations as of June 30, 2017 and 2016.
