Supplemental Information

Return Reference	Explanation
Part X, Line 2	The NHC is organized as a nonprofit corporation and is exempt from income taxes under Section 501(c)(7) of the Internal Revenue Code and similar state laws. The exemption is on all income except unrelated business income. An unrelated trade or business of an exempt organization is any trade or business which is not substantially related to the exercise or performance of its exempt purpose. Income earned from non-members is recognized as unrelated business income to the extent such income is not set aside. Income that is properly set aside must be used for the qualifying purposes outlined in the set-aside resolution. At June 30, 2017 and 2016, cash and cash equivalents include \$93,250 and \$85,237, respectively, designated for set aside. Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the NHC and recognize a tax liability if the NHC has taken an uncertain position that more likely than not would not be sustained upon examination by various federal and state taxing authorities. Management has analyzed the tax positions taken by the NHC, and has concluded that as of June 30, 2017 and 2016, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the accompanying financial statements. The NHC is subject to routine audits by taxing jurisdictions, however, there are currently no audits for any tax periods in progress. The NHC has filed its federal and state income tax returns for periods through June 30, 2016. These income tax returns are generally open to examination by the relevant taxing authorities for a period of three years from the later of the date the return was filed or its due date (including approved extensions).
