Grantmaker's Description of How Grants are Used	Scholarships are granted to deserving students based on the terms of the grant establishing the particular scholarship fund. For example, some scholarships are available only to students in the Missions Department, or Music majors, etc., while some scholarships funds can be given to any student who can show a need. Scholarships and grants are placed on student receivable accounts except in a few exceptional cases. If there is a credit balance left on the student account no amounts are refunded until any unused scholarships or grants are reversed.

Form 990, Part VI, Line 12c Explanation of Monitoring and Enforcement of Conflicts	All officers, trustees and key employees complete a conflict of interest questionnaire each year. These questionnaires are reviewed by our General Counsel and action is taken if conflicts need to be resolved. We would take steps to make sure any transaction where there are potential conflicts are at arm's length and the affected officers, trustees, and key employees are not involved in the decision making process.

990 Schedule O, Supplemental Information

Return Reference	Explanation
Form 990, Part VI, Line 15a Compensation Review & Approval Process - CEO, Top Management	Several years prior, consultants were used to establish benchmarks for officer salary levels. Since 2009 Moody has annually reviewed the 990 salary information of comparable institutions to set benchmarks for this purpose. Information is accessed for the following positions: President, COO, CFO, Chief Educational Officer and Chief Development Officer. We typically look at 7-10 higher education institutions, some of which are competitors to Moody. We choose institutions of comparable mission and size (based upon total expenses). We look at 3-4 parachurch organizations (of generally comparable size) as well. This data is used as a salary administration benchmark. To increase its applicability, the data is adjusted for cost of living differences (based upon the location of the other institutions) in relation to the cost of living in the greater Chicago area. Following this analysis, which is provided for review by the Compensation Committee of the Board in the fall of each calendar year, the President's salary increase recommendations are based upon Institute salary guidelines for the fiscal year (which reflect trends in national average salary increases) and upon job performance. The Compensation Committee can either approve or disapprove the President's recommendations. Increases for officers and other key employees are scheduled for November of each year, so that the financial condition and performance of the institution at the close of the prior fiscal year can be taken into account. The President's salary increase is scheduled at the same time and is set by the Board (in the context of the data provided and the current fiscal year salary guidelines for the Institute).
