Intended Uses of Endowment Funds	<p>Schedule D, Part V, Line 4 Net assets associated with endowment funds, including funds designated to function as endowment funds, are classified and reported based on the existence or absence of donor-imposed restrictions. The endowment fund is administered by Presence Health. The University has adopted the investment and spending policies of Presence Health for its endowment fund. The objective of these policies is to provide the University with a predictable funding stream for its programs while protecting the power of the endowment fund. Presence Health's investment policy represents the current consensus of the endowment funds investment philosophy and shall be reviewed from time to time to ensure that it continues to reflect the appropriate expectations, goals and objectives for the endowment fund. Presence Health has interpreted the Uniform Prudent Management of Institutional Funds Act (UPMIFA) as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary. As a result of this interpretation, the University classifies as permanently restricted net assets (a) the original value of gifts donated to the permanent endowment, (b) the original value of subsequent gifts to the permanent endowment and (c) accumulations to the permanent endowment made in accordance with the direction of the applicable donor or gift instrument at the time the accumulation is added to the fund. The remaining portion of the donor-restricted endowment fund that is not classified in permanently restricted net assets is classified as temporarily restricted net assets until those amounts are appropriated for expenditure by the University in a manner consistent with the standard of prudence prescribed by the state of Illinois in its enacted version of UPMIFA. In accordance with UPMIFA, Presence Health considers the following factors in making a determination to appropriate or accumulate donor restricted endowment funds: (1) the duration and preservation of the endowment fund, (2) the purposes of the University and the donor restricted endowment fund, (3) general economic conditions, (4) the possible effect of inflation and deflation, (5) the expected total return from income and the appreciation of investments, (6) other resources of the University, and (7) the investment policies of Presence Health. Presence Health may appropriate for expenditure or accumulate so much of the endowment fund as the University determines is prudent for the uses, benefits, purposes and duration for which the endowment fund is established.</p>

Supplemental Information

Return Reference	Explanation
FIN 48 Footnote	<p>Part X The University was organized and incorporated in Illinois as a not-for-profit organization in July 2011. The University has a favorable determination letter from the Internal Revenue Service stating they are exempt from federal income taxes under Section 501(a) of the Internal Revenue Code (IRC) of 1986, as organized under Section 501(c)(3). The University follows guidance that clarifies the accounting for uncertainty in tax positions taken or expected to be taken in a tax return, including issues relating to financial statement recognition and measurement. This guidance provides that the tax effects from an uncertain tax position can only be recognized in the financial statements if the position is "more-likely-than-not" to be sustained if the position were to be challenged by a taxing authority. The assessment of the tax position is based solely on the technical merits of the position, without regard to the likelihood that the tax position may be challenged. The University is exempt from federal income tax under IRC section 501(c)(3), though it is subject to tax on income unrelated to its exempt purpose, unless that income is otherwise excluded by the Code. The University has processes presently in place to ensure the maintenance of its tax-exempt status, to identify and report unrelated income, to determine its filing and tax obligations in jurisdictions for which it has nexus, and to identify and evaluate other matters that may be considered tax positions. The University has determined that there are no material uncertain tax positions that require recognition or disclosure in the financial statements.</p>
