Part X, Line 2	Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Association and recognize a tax liability if the Association has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS or other applicable taxing authorities. Management has analyzed the tax positions taken by the Association and has concluded that as of June 30, 2017 and 2016, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the consolidated financial statements. The Association is subject to routine audits by taxing jurisdictions, however, there are currently no audits for any tax periods in progress.
