Supplemental Information

Return Reference	Explanation
Part X, Line 2	Women's Resource Center is a Not-for-Profit organization exempt from federal income tax under section 501(c)(3) of the internal revenue code and is exempt from similar state and local taxes. Although the organization was granted income tax exemption by the internal revenue service, such exemption does not apply to unrelated business taxable income. Such income, pursuant to the internal revenue code and related regulations, includes investment income such as interest received from sources other than directly from the membership. The organization has been classified as not a private foundation. The organization analyzes its income tax filing positions in the federal and state jurisdictions where it is required to file income tax returns, as well as all open tax years (fiscal 2012 through 2015) in these jurisdictions, to identify potential uncertain tax positions. The organization treats interest and penalties attributed to income taxes, and reflects any charges for such, to the extent they arise, as a component of its general and administrative expenses.
