990 Schedule H, Supplemental Information

Form and Line Reference	Explanation
Schedule H, Part I, Line 7 Detail on Community Benefit Reporting	COMMUNITY BENEFIT AMOUNTS ARE COMPILED USING TOTAL ACTUAL COSTS PER THE HOSPITAL'S MANAGERIAL ACCOUNTING SYSTEM IN USE, WHICH INCLUDES ALL PATIENT SEGMENTS INCLUDING INPATIENT, OUTPATIENT, EMERGENCY ROOM, PRIVATE INSURANCE, MEDICAID, MEDICARE, MEDICARE HMO, UNINSURED, AND SELF-PAY PATIENTS. MEDICARE IS REPORTED USING THE MOST RECENTLY FILED COST REPORT AT THE TIME THE ANNUAL REPORT AND RELATED COMMUNITY BENEFIT INFORMATION IS PUBLISHED. COMMUNITY BENEFIT AMOUNTS WERE DETERMINED FOR EXTERNAL REPORTING PURPOSES, AND AMOUNTS ARE SUMMARIZED USING A SOFTWARE APPLICATION RECOMMENDED BY THE CATHOLIC HEALTH ASSOCIATION BECAUSE IT HAS THE ABILITY TO PROVIDE THE INFORMATION IN A FORMAT SUITABLE FOR SCHEDULE H PRESENTATION. The organization also VOLUNTARILY REPORTS COMMUNITY BENEFIT INFORMATION IN WISCONSIN BY REPORTING THE INFORMATION TO THE WISCONSIN HOSPITAL ASSOCIATION.
Schedule H, Part V, Section B, Line 17 Billing and Collection Policy	During tax year 2017, the organization learned via verbal comments of IRS agents at public events that the IRS intends that the "readily obtainable" standard in the 501(r) regulations for the AGB calculation and billing and collection policy is only met if those items are posted to the organization's web site. The organization had interpreted that web posting standard to be a safe harbor after consulting with external counsel and tax advisors, and timely took other steps to make the information readily obtainable. Consequently, the organization does not believe its decision to not post these documents to its web site rises to the level of a failure, nor does it believe the circumstances were either willful or egregious, having otherwise timely taken the steps necessary to attain and continue to maintain compliance with the other requirements related to the billing and collection policy and the AGB, as part of its policies and procedures for ensuring compliance with all aspects of 501(r). However, the organization is making this voluntary disclosure in order to communicate to the IRS the changes it is undertaking in response to the recent IRS informal guidance on this specific point concerning the "readily obtainable" standard, and the fact that the organization has started the work necessary to post its AGB information and billing and collection policy to its web site and will complete those additional postings as soon as reasonably possible. The other web postings required under 501(r) (i e , those related to the community health needs assessment and the financial assistance policy) were timely completed and continue to remain in place as required. The organization believes its safeguards worked as intended in this case (i e , the organization has regular communications with a number of external law firms and tax consultants and the timely attention to the recent guidance was supported by the framework of regular access to subject matter experts). These changes are in the process of being incorporated into corporate policies and procedures that apply to the organization.

990 Schedule H, Supplemental Information

Form and Line Reference	Explanation
Schedule H, Part I, Line 7g Subsidized Health Services	Wheaton Franciscan Healthcare has a separately organized entity, Wheaton Franciscan Medical Group, Inc where all physician clinic costs are grouped. The hospital has therefore not included any physician clinic costs in subsidized health services.
Schedule H, Part I, Line 7 Costing Methodology used to calculate financial assistance	The cost of providing charity care, means-tested government programs, and other community benefit programs is estimated using internal cost data, and is calculated in compliance with Catholic Health Association ("CHA") guidelines. The organization uses a cost accounting system that addresses all patient segments (for example, inpatient, outpatient, emergency room, private insurance, Medicaid, Medicare, uninsured, or self pay). The best available data was used to calculate the amounts reported in the table. For the information in the table, a cost-to-charge ratio was calculated and applied.

990 Schedule H, Supplemental Information

Form and Line Reference	Explanation
Schedule H, Part II Community Building Activities	In the area of community building, Ascension All Saints Hospital participates in several community coalitions and other collaborative efforts with the community whose purpose is to improve the health of the community. These include Racine Economic Development Corporation, UW-Parkside Foundation Board Meeting, Health Care Network Board Meeting, Higher Expectation Reach Out and Read Program, and United Way of Racine Board of Directors meetings. By working together with other organizations in the community, we expect to have a greater impact on health. According to the County Health Rankings site, with a shared vision and commitment to improved health, working together can yield better results than working alone. Ascension All Saints also provides job shadowing experiences and mentoring programs for Racine Unified High school students and other preparatory schools in Racine. The hospital offers mentoring and observational learning experiences by having an individual assigned to a staff member (or members) for the purpose of gaining insight about various professional roles and work responsibilities within a health care system. According to the County Health Rankings, employment provides income and, often, benefits that can support healthy lifestyle choices. Unemployment and under employment limit these choices, and negatively affect both quality of life and health overall. Ascension All Saints Hospital staff support local homeless shelters by providing and serving meals to persons living in poverty. Food insecurity has been shown to be linked to increased risk of chronic diseases, particularly among low income populations.
Schedule H, Part III, Line 2 Bad debt expense - methodology used to estimate amount	After satisfaction of amounts due from insurance and reasonable efforts to collect from the patient have been exhausted, the Corporation follows established guidelines for placing certain past-due patient balances within collection agencies, subject to the terms of certain restrictions on collection efforts as determined by Ascension Health. Accounts receivable are written off after collection efforts have been followed in accordance with the Corporation's policies. After applying the cost-to-charge ratio, the share of the bad debt expense in fiscal year 2017 was \$13,340,122 at charges, (\$4,681,957 at cost).

990 Schedule H, Supplemental Information

Form and Line Reference	Explanation
Schedule H, Part III, Line 3 Bad Debt Expense Methodology	The provision for doubtful accounts is based upon management's assessment of expected net collections considering historical experience, economic conditions, trends in healthcare coverage, and other collection indicators. Periodically throughout the year, management assesses the adequacy of the allowance for doubtful accounts based upon historical write-off experience by payor category, including those amounts not covered by insurance. The results of this review are then used to make any modifications to the provision for doubtful accounts to establish an appropriate allowance for doubtful accounts.
Schedule H, Part III, Line 4 Bad debt expense - financial statement footnote	The organization is part of the Ascension Health Alliance's consolidated audit in which the footnote that discusses the bad debt expense begins on page 19.

990 Schedule H, Supplemental Information

Form and Line Reference	Explanation
Schedule H, Part III, Line 8 Community benefit & methodology for determining medicare costs	A cost to charge ratio is applied to the organization's Medicare Expense to determine the Medicare allowable costs reported in the organization's Medicare Cost Report. Ascension Health and its related health ministries follow the Catholic Health Association (CHA) guidelines for determining community benefit. CHA community benefit reporting guidelines suggest that Medicare shortfall is not treated as community benefit.
Schedule H, Part III, Line 9b Collection practices for patients eligible for financial assistance	The filing organization FOLLOWS THE ASCENSION GUIDELINES FOR COLLECTION PRACTICES RELATED TO PATIENTS QUALIFYING FOR CHARITY OR FINANCIAL ASSISTANCE. A PATIENT CAN APPLY FOR CHARITY OR FINANCIAL ASSISTANCE AT ANY TIME DURING THE COLLECTION CYCLE. ONCE QUALIFYING DOCUMENTATION IS RECEIVED, THE PATIENT'S ACCOUNT IS ADJUSTED. PATIENT ACCOUNTS FOR THE QUALIFYING PATIENT IN THE PREVIOUS SIX MONTHS MAY ALSO BE CONSIDERED FOR CHARITY OR FINANCIAL ASSISTANCE. ONCE A PATIENT QUALIFIES FOR CHARITY OR FINANCIAL ASSISTANCE, ALL COLLECTION ACTIVITY IS SUSPENDED.

Schedule H, Part V, Section B, Line 11 Facility 1, 1	Facility 1, 1 - WFH-ALL SAINTS Using the CHNA completed in June 2016, the hospital developed, adopted, and worked on executing a three-year Implementation Strategy to address priority community health needs. In Fiscal Year 2017 (Tax Year 2016), the hospital implemented the following plan to address the priority needs: Access to Care -- Assist individuals with access to care -- Provided health education at community events -- Developed community partnerships to address health disparities -- Assisted clients with locating primary care provider Infant Mortality -- Decrease prematurity in Racine County -- Implemented Centering Pregnancy Program -- Provided home visits and care coordination for pregnant women Healthy Lifestyle -- Educate local community on healthy lifestyle topics -- Offered support groups and counseling for clients that are pre-diabetic or diabetic -- Provided community based health education on smoking cessation, diabetes and hypertension -- Provided clinical nutrition counseling to patients referred by their primary care provider Mental Health -- Promote understanding and awareness -- Collaborated with agencies in Racine County to address mental health concerns -- Provided education on suicide risk, trauma and crisis intervention training Spring Street Campus While our organization understands the importance of meeting all of the needs of the community, an in depth assessment was completed in which the key leaders involved in the day to day work within the All Saints Campus were able to identify the needs that would be most impacted by the site. Explanation on needs identified in CHNA that are not being addressed: The top health needs identified by All Saints leadership team through the community health needs assessment that were not a part of the current implementation plan were as follows: Coverage: Wheaton Franciscan Healthcare- All Saints feels that this significant need is outside of our scope of services. We are committed to focusing efforts on providing access to care to those within our community regardless of their coverage. We will continue to support other initiatives regarding this need in a secondary capacity when necessary. Alcohol and Drug Use: While Wheaton Franciscan Healthcare- All Saints- Wisconsin Avenue understands this growing concern, at the time of assessment, the resources and expertise were not available to address and make a meaningful impact on alcohol and drug use. During the community health needs assessment process, the Milwaukee Health Care Partnership was made aware of several existing strategies through our key informants. Key informants indicated a number of organizations across sectors are already addressing these issues by providing services, and education is in place within the schools. Specific strategies named include needle exchange and Sharps collection programs, public campaigns and media coverage of the issues, prescription drug drop off locations, the Wisconsin Prescription Drug Monitor.

Return Reference	Explanation
Schedule I, Part I, Line 2 Procedures for monitoring use of grant funds	Wheaton Franciscan Healthcare maintains files and records to manage the decision-making and award process for organizations that it provides community sponsorship dollars to. Decisions are made by a Community Sponsorship Committee with leaders who hold positions in Diversity, Strategic Planning, Mission Services, Marketing and Philanthropy. The Committee generally strives to sponsor organizations that have missions that align with the mission, vision and values of Wheaton Franciscan Healthcare. The committee also looks for certain other criteria when deciding which organizations will receive contributions, including but not limited to supporting healthcare related activities within the Southeast Wisconsin, Iowa, and Illinois markets, supporting programming that work to further diversity and cultural competency, aligning with other WFH business relationships or service lines, supporting student academic achievement or workforce development initiatives, and finally, supporting environmental "green" initiatives. Leaders periodically meet with representatives of sponsored organizations to discuss objectives including how dollars will be spent. Additionally, Wheaton Franciscan Healthcare may, at a later date, ask for documentation in order to monitor that funds were spent for their intended purpose. Currently, confirmation letters are sent to sponsored organizations when award dollars are given, that confirm the dollar amount awarded and the intended purpose, with a request that the recipient acknowledge receipt of the funds in written correspondence. Files are maintained in the Organizational Change and Leadership Performance Department to include copies of letters of request, award and denial letters, additional documentation if requested, and acknowledgement receipts from sponsored organizations.
