Supplemental Information

Return Reference	Explanation
Part X, Line 2	The Organization is exempt from federal income taxes under provisions of Section 501(c)(3) if the Internal Revenue Code. The Organization may be subject to federal and state income taxes to the extent it has unrelated business income, however, no provision for income taxes are included within the financial statements as management has determined that there is no taxable income. Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Organization and recognize a tax liability (or asset) for an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. Management has evaluated their material tax positions and determined there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosures in the financial statements. The Organization is subject to routine audits by tax authorities, however, there are currently no audits for any tax periods in progress. Management believes the Organization is no longer subject to income tax examinations for years prior to 2013.
