Form 990, Part III, Line 4a PROGRAM SERVICE ACCOMPLISHMENTS	I INTRODUCTION Villa Nazareth operates two distinct entities, 1) CHI Friendship and 2) CHI Riverview CHI Friendship's origin dates back to 1897 to St John's Orphanage Over the years the name and the mission of the organization have changed to meet the needs of the community In 1981, Villa Nazareth (then dba Friendship, Inc) was created to serve people with developmental disabilities in a non-institutional, community-based program Today, CHI Friendship is one of the largest non-profit private providers of community services to people with developmental disabilities in North Dakota Hundreds of people with developmental disabilities are served by CHI Friendship in a variety of vocational and residential programs Villa Nazareth dba CHI Riverview is a retirement community for adults 55 and older CHI Riverview was formed in 1987 offering 148 independent apartment settings As seniors began to age in place an assisted living component was developed and approximately 50 out of the 148 apartments were designated as assisted living A health service component was also added to assist residents with their healthcare needs In 2012 an Enhanced Living program was started in response to the more comprehensive needs of residents with memory loss As of the end of June 2017, 12 apartments are available with this enhanced service and 137 apartments are offered as independent or assisted living During the fiscal year 2017 Villa Nazareth provided benefits to Low Income Individuals and the Broader Community of \$15,2672 as described below Approximately 6,645 people benefited from these programs The major components of these community benefits are as follows Benefits for Low Income Individuals Cost of Charity Care Persons served - 6 Community Benefit - \$67,157 Community Service targeted for poor Persons served - 473 Community Benefit - \$69,468 Total Benefits for Low Income Individuals Persons Served - 479 Community Benefit - \$136,625 Benefits for the Broader Community Education and Research Persons Served - 1,521 Community Benefit - \$6,028 Other Community Benefits Persons Served - 4,645 Community Benefit - \$10,019 Total Benefits for the Broader Community Persons served - 6,166 Community Benefit - \$16,047 Total Benefits Persons Served - 6,645 Community Benefit - \$152,672 II BENEFITS FOR LOW INCOME INDIVIDUALS Charity Care The Charity Care Program was implemented to allow seniors to remain at Riverview Place and receive necessary services despite their shrinking ability to pay for the costs As seniors age and life expectancies are exceeded, a few of our residents find their financial means cannot keep pace with costs In fiscal year 2017, Riverview Place provided \$67,157 to five people in rent assistance through our Charity Care Program Community Service Targeted for Poor As Representative Payee for approximately 100 individuals supported by CHI Friendship, we set up bank accounts for these individuals and assist with, monitor and reconcile the

For many of the people supported by CHI Friendship, however, incomes are limited to a level that could not support this expense. For this reason, we have made a decision to cover these charges. In addition, we choose to absorb the excess of expenses over revenues for transportation and other needs provided to people supported who live in their own apartments, for which we could otherwise bill them. The total for these services amounted to \$52,742 in fiscal year 2017. Some other situations occurred during the year which resulted in people supported losing a job, encountering significant changes in wages, or developing a need for medical equipment that was not covered by Medicare. As a result, some individuals supported by CHI Friendship could not afford to cover their needs. These are what we consider extreme need situations and certain of these expenses were covered by CHI Friendship. This fiscal year \$16,726 was spent to assist 371 people served under our programs. III. BENEFITS FOR THE BROADER COMMUNITY Education and Research. CHI Riverview serves as a host site for community education programs including YMCA swimming classes, AARP-Driving safe program, TOPS Club and Aqua Exercise. These programs are open to the greater community and assist people in living healthy. 1,521 people benefitted from these programs at a cost of \$6,027. Other Community Benefits. CHI Riverview chapel is open for members of the community to attend daily Mass and ecumenical services throughout the year. More than 4,200 community members attended services this past year at a cost of \$8,726. In-kind donations to various groups totaled \$1,293 from which more than 350 people were impacted. These included organizations such as the Northern Plains Council on Aging and Disabilities, and the North Dakota Association of Community Providers.

Form 990, Part VI, Line 15a COMPENSATION OF TOP MANAGEMENT OFFICIAL	The organization's top management official's compensation is paid by Catholic Health Initiatives (CHI), a related organization. CHI has a defined compensation philosophy. Both the executive and non-executive compensation structures and ranges are reviewed annually in comparison to market data. CHI uses The Korn Ferry Hay Group as the independent third party to assess executive compensation programs and to ensure the reasonableness of actual salaries and total compensation packages. Compensation of the senior most executives is reviewed annually. The Korn Ferry Hay Group reviews both cash and total compensation for overall reasonableness, for adherence to CHI's compensation philosophy, and for comparability to the not-for-profit healthcare market. This independent review is delivered by Korn Ferry Hay Group to the HR committee of the CHI Board of Stewardship Trustees annually at their September meeting and minutes are shared with the full board at the December meeting. The last review was September 11, 2017. In addition, Korn Ferry Hay Group completed a comprehensive review of all positions at the level of vice president and above in the fall of 2014 to determine and validate appropriate compensation levels. These levels have been reviewed annually since and revised based on market data, where applicable.

If the conflict involves the Board Chair, the Vice Chair will assume the Chair's role outlined in the COI Policy. Based on review and evaluation of the relevant facts and circumstances, the Board Chair will make an initial determination as to whether a conflict of interest exists and whether, pursuant to the COI Policy, review and approval or other action by the Board is required. A written record of the Board Chair's determination, including relevant facts and circumstances, will be made. The Board Chair shall then make an appropriate report to the Executive Committee of the Board concerning such review, evaluation and determination. Such determination, including relevant facts and circumstances, will be reflected in the Executive Committee minutes and will be reported to the Board. The Board must approve the transaction by a majority of the Trustees on the Board, without counting the vote of any individual who has an interest in the transaction. In reviewing such transactions between CHI or CHI Entities and vendors or other contractors who are, or are affiliated with, Trustees or Corporate Officers, the Board shall act no more or less favorably than it would in reviewing transactions with unrelated third parties. The transaction will not be approved unless the Board determines that the transaction is fair to CHI or the CHI Entity. The Board shall carefully review and scrutinize any non-transactional conflict of interest (e.g., disclosure of nonpublic information, competition with CHI or a CHI Entity, failure to disclose a corporate opportunity, excessive gifts or entertainment, etc.). By a majority vote of the disinterested Trustees, the Board shall take whatever action is deemed appropriate with respect to the Trustee or Corporate Officer under the circumstances, including possible disciplinary or corrective action, in order to best protect the interests of CHI or the CHI Entity. 990 Schedule O, Supplemental Information

Return Reference	Explanation
Form 990, Part VI, Line 12c Conflict of interest policy	Catholic Health Initiatives ("CHI") has a Conflicts of Interest ("COI") policy (the "Policy") in place to maintain the integrity of all of its activities. The Policy applies to CHI Board of Stewardship Trustees and members of its committees, all CHI Entity board and board committee members, all CHI employees, and all CHI research personnel (both employed and non-employed). Disclosure, review and management of perceived, potential or actual conflicts of interest are accomplished through a defined COI disclosure process. Each Person must promptly and fully disclose to his/her direct manager, supervisor, medical staff office, board or board committee chair any situation or circumstance that may create a conflict of interest. The Person must disclose the actual or potential conflict as soon as she/he becomes aware of it. In any situation where the Person may be in doubt, a full disclosure should be made to permit an impartial and objective determination. In addition to the general ongoing obligation, there are initial disclosure obligations. At the time of initial appointment, a copy of the Policy shall be distributed to the board or committee member along with a conflict of interest disclosure. The board or committee member will complete and submit the disclosure. The completed disclosure shall be maintained in confidence and access shall be limited to persons who have a reasonable need to know the contents. At the time of hiring, a copy of the Policy shall be distributed to all Employees. In addition, a conflict of interest disclosure will be provided. The Employee must complete and submit a conflict of interest disclosure. The completed disclosure shall be maintained in confidence and access shall be limited to persons who have a reasonable need to know the contents. In addition to the general ongoing and initial disclosure obligations, there is an annual disclosure obligation. On an annual basis, the following Persons must complete a new conflict of interest disclosure: Board and board committee members, Employees at the level of vice president and above, Researchers Supply Chain Employees at the level of vice president and above and those employees involved in contracting regardless of employment level, Other Employees as deemed applicable by CHI Leadership. Employees at the level of manager and above (through 6/21/17) Disclosures of perceived, potential or actual conflicts involving financial interests are forwarded to the Conflicts of Interest Review Committee ("C-CIRC"), National or Regional Legal Services, National, Entity, or Research Corporate Responsibility Program, or the Executive Committee of the Board or Board Chair, for review depending on the position of the person involved. Among the factors that should be considered in determining whether a conflict exists are the nature and magnitude of the opportunity, transaction or arrangement, the degree to which it is related to CHI's business, whether the Person with the conflict is the ultimate

When a Person has, or is considering initiating, a business interest or relationship outside of CHI but is uncertain whether the interest constitutes a conflict of interest requiring disclosure under this Policy, the Person should consult with local Corporate Responsibility Program (CRP) staff or CHI Legal Services Group (LSG) staff, as appropriate. As appropriate, a COI management plan will be developed. With respect to those audiences for which the C-CIRC has review responsibility, the C-CIRC will facilitate development of any such COI management plan in collaboration with local CRP staff or CHI LSG staff, as appropriate. This plan will include documentation of the C-CIRC's determinations and recommendations. As necessary, reports to an appropriate governmental agency or sponsor will be made according to the relevant appendices to this Policy to provide required information regarding how the conflict of interest will be managed, reduced, or eliminated. Designated CHI Entity staff are responsible for monitoring the COI management plan and for documenting monitoring activities. At its sole discretion, a CHI Entity may reject a Person's request to enter into the relationship in question, or require the relationship be sufficiently altered to avoid a potential conflict of interest. The C-CIRC will determine whether a disclosed or otherwise identified interest is a conflict of interest. If the C-CIRC determines that a potential or actual conflict of interest exists that does not currently have appropriate controls to address the conflict of interest, it may recommend that the disclosing Person be allowed to participate in the activity or transaction subject to restrictions as outlined in a written COI management plan. All determinations of conflicts of interest will be reported as required by law, regulations, and CHI policy. If a Person, other than a board or board committee member or corporate officer, required to complete a COI disclosure does not agree with a determination made by the C-CIRC, its interpretation of the COI Policy, still seeks an exemption or exception, or seeks further clarification of the C-CIRC's decision, the following steps should be followed. Within a reasonable period of time after receiving notice of the C-CIRC's decision, the Person must present the matter to the Person's immediate direct manager or supervisor (or in the case of a Researcher, to [fill in the title or position to whom Researchers report]) and request reconsideration, submitting at that time any new or additional information that may support or recommend reconsideration. If the Person's mana

The C-CIRC will be reconvened for this purpose and, following such reconsideration, issue a final determination. This appeals process is intended to be narrowly applied, as Persons seeking conflict of interest exemptions or exceptions are expected to offer all available information supporting an exemption or exception at the time the matter is first presented to the C-CIRC. Management of actual or potential conflicts of interest of board or board committee members and corporate officers will be determined by the appropriate board, as reflected in the Policy. Reviews and determinations involving board and board committee members and corporate officers will be the responsibility of the board, board executive committee, or board chair, with guidance from the Legal Services Group (LSG). Each Trustee and Corporate Officer must promptly and fully report to the Board Chair situations that may create a conflict of interest when he or she becomes aware of such situations. In any situation when a Trustee or Corporate Officer is in doubt, full disclosure should be made to permit an impartial and objective determination. A written record of the disclosure will be made. In addition to the ongoing disclosure obligation, all Trustees and Corporate Officers shall complete a COI disclosure questionnaire on an annual basis. A copy of the COI Policy shall be available to Trustees and Corporate Officers. Definitions of terms used in the disclosure questionnaire/form shall also be included. Each Trustee and Corporate Officer must promptly complete the COI disclosure. The disclosures will be reviewed by the CHI Senior Vice President, Legal Services, and General Counsel or his or her designee who will report potential conflicts to the applicable Board Chair.
