Chair of the Board of Directors, Vice Chair of the Board of Directors, two other Board members appointed by the Chair, and the Corporation's President. The Chair of the Board of Directors shall serve as the Chair of the Executive Committee. Directors on the Executive Committee shall serve during the term of office they hold which places them on the Executive Committee, or, for the two Chair-appointed members, for a term of one (1) year or until their successors are appointed. The Executive Committee, when the Board of Directors is not in session, shall have and may exercise all of the authority of the Board of Directors, except to the extent, if any, that such authority shall be limited by a motion or resolution of the Board of Directors or that is authority reserved to the Member. It is intended that the powers of the Executive Committee to act for the whole Board be confined to such urgent matters as reasonably should not be deferred until the next regularly-scheduled meeting of the full Board. Additionally, the Executive Committee is delegated the Board's final authority to act on individual applications for Medical Staff and Allied Health Professional Staff appointments, reappointments and privileges.

Form 990, Part VI, Section A, line 4	Amended the language regarding the composition of each Board of Directors to require "at I east one" overlapping board member as between RH and RCRH and between RH and RHN Previous ly, two overlapping members were required (The board membership of RH and Regional Health Physicians, Inc is identical - 100% overlap). The overlapping membership is one way we a ssure that RH, as a Supporting Organization, remains responsive to its Supported Organizations. The reason for the change is that with the implementation of "System Committees" in 2016 (Governance, Clinical Quality, Finance and Investment, and Compliance Audit and Compe nsation) we are better assuring responsiveness by the supporting organization because the System Committee membership consists of at least one member from each Board (RH, RCRH and RHN). The System Committees, through representation from each corporation, not only assure RH responsiveness, they provide a means of shared decision-making. Also, by using the lan guage "at least one", more than one overlapping member remains permitted. For FY17 two overlapping members remained in place as between RCRH and RH and three overlapping members remained in place as between RHN and RH Amended the language regarding Board Officers Each corporation's bylaws provide for four Board officers. Chair, Vice-Chair, Secretary and Treasurer Previously all four offices were held by Board members elected by their respective boards. The bylaws were amended to designate the person (employee) holding the position of General Counsel as the Secretary and Treasurer are not members of the Board, they simply fulfill the duties of the respective offices as described in the bylaws. Amended the composition of the Executive Committees of each Board. Because the Executive Committee Instead the amended language includes the Board Chair and Vice-Chair and two other Board members appointed by the Board Chair Amended the language regarding Quorum to clarify that a quorum (majority of members) is required to start a meeting but t hat t
