Form 990, Part I, Line 1, Description of Organization Mission:

volunteer craftsmen and women. As a community-based social intervention program, we use a positive youth development approach to learning offering hands-on experiences with woodworking, boat building and on-the-water activities.

Form 990, Part III, Line 1, Description of Organization Mission:

and social development of youth rather than on problems and/or deficits. The overall goal with the TCBB program has always been to give youth the comprehensive support they need to thrive, not just in our program, but also in life.

TCBB program objectives are tied closely to work done since 2015 through the Youth Program Quality Initiative (YPQ). The YPQ evaluations are outcomes driven and tied closely to well documented best practices for effective positive youth development. The process of assessment, planning and improvement has provided TCBB with an evaluative framework that strengthens and improves its program progressively over time. TCBB consistently scores high in the domains of Safe Environment, Supportive Environment, Interaction and Engagement. In 2018 we will add Social Emotional Learning components to our programming and evaluative

process.

Our core programs serve youth, 12-18 years of age, who are - or have been - connected to the juvenile court system. While youth are originally assigned to TCBB for a 10-week program, many choose to continue their time in the shop well beyond their court-ordered time. The door is always open to them, and youth are encouraged to stay connected to the program and their adult mentors, which research shows increases their chances for long-term success. For services TCBB can't provide directly, targeted referrals are made to youth-serving organizations in the community with whom TCBB has built strong relationships.

Program service accomplishments included the following for 2017:
Serving 90 unduplicated youth who are court connected in Pierce County. Overall rate for successful completion of the program is at 72% with the racial-ethnic breakdown of 51.9% Caucasian, 27.8% African American, 11% Hispanic, 7.4% Asian/Pacific Islander, 1.9% Native American. The number of minority youth served in our programs tripled from 2016 accounting for 49% of all youth served.

In addition to the 90 unduplicated youth, 26 alumni youth returned to attend more than 136 sessions where they continued to develop the skills, relationships, and capabilities that only time and experience can deepen. TCBB is able to offer a limited number of workplace experience internships for qualifying alumni of our core programs. We also offer support and referral services for those wishing to return to complete secondary education, support in job search and preparedness,
