**\$13,493 FMV donated used books**

Reasonable clause explanation: Schedule B was not originally attached in the March 9<sup>th</sup> submission because after reading the instructions we mistakenly understood the \$5000 threshold was only for cash donations and not tangible items such as used books. Being our first year of accepting contributions we do not have the funds to hire an accountant, so we did research online for help because we did not fully understand the complicated IRS instructions. After rereading them, after your notice, we see it does apply to the used books which were donated. There was one donor as listed on Schedule B that donated books with the FMV of over \$5000.
