990 Schedule A, Supplemental Information

Return Reference	Explanation
Form 990, Schedule A, Part IV, Section C, Line 1	A majority of the Foundation's Trustees during the tax year were not also a majority of the Trustees of its supported organization during the year. However, control of the Foundation was vested in the same persons that controlled the supported organization. The Past President of the supported organization served as a Foundation Trustee. All other voting classes of Foundation Trustees are elected from the voting membership of the supported organization, which also elects the governing body of the supported organization. Therefore, the Foundation has satisfied the Type II relationship test, as the membership of the supported organization had control over both the Foundation and its supported organization during the tax year.
