Part X, Line 2	The School has adopted the accounting for uncertainty in income taxes, which addresses the determination of whether tax benefits claimed or expected to be claimed on a tax return should be recorded in the financial statements. Under this policy, the School may recognize the tax benefit from an uncertain tax position only if it is more-likely-than-not that the tax position would be sustained on examination by taxing authorities, based on the technical merits of the position. Management has evaluated the School's tax positions and has concluded that the School has taken no uncertain tax positions that require adjustment to the financial statements to comply with provisions of this guidance. The School is no longer subject to income tax examinations for the U.S. federal, state or local tax authorities for years before June 30, 2014.
