Return Reference	Explanation
Part I, Line 2	The School's financial aid program is designed to assist families with need by covering a part of the cost of tuition and other expenses at the school. We send financial aid information and application materials to all of our applicant families. To ensure objectivity, Green Acres School subscribes to the School and Student Service for Financial Aid (SSS) in Princeton, New Jersey. This service requires that parents send to them a parents' financial statement with a small fee. With this information, SSS calculates how much parents should be expected to pay. Copies of current year tax forms must also be submitted directly to the School. Families seeking financial aid must apply for financial aid each year. At Green Acres School, the financial aid process is handled by our Business Office rather than by our Admission Office. This plan supports our 'need blind' admission policy. Admission decisions are made first by an admission committee without regard to which families may or may not have applied for financial aid. After admission decisions are made, grants are determined for accepted families who qualify by a Financial Aid Committee, consisting of the Head and business office staff members.
