Part X, Line 2	<p>The Schools have adopted the accounting standard on accounting for uncertainty in income taxes, which addresses the determination of whether tax benefits claimed or expected to be claimed on a tax return should be recorded in the combined financial statements. Under this policy, the Schools may recognize the tax benefit from an uncertain tax position only if it is more likely than not that the tax position would be sustained on examination by taxing authorities based on the technical merits of the position. Management has evaluated the Schools' tax positions and has concluded that the Schools have taken no uncertain tax positions that require adjustment to the combined financial statements to comply with provisions of this guidance. The Schools are no longer subject to income tax examinations by U.S. federal, state or local tax authorities for years before June 30, 2014.</p>
