Part X, Line 2	<p>The School is generally exempt from federal income taxes under the provisions of Section 501(c)(3) of the Internal Revenue Code. In addition, the School has been determined by the Internal Revenue Service (IRS) not to be a private foundation. Income which is not related to exempt purposes, less applicable deductions, is subject to federal and state income taxes. For the year ended June 30, 2017, the School had no taxable unrelated business income and, accordingly, no provision for income taxes is required in the accompanying financial statements. The School complies with the accounting standard on accounting for uncertainty in income taxes (FASB ASC Topic 740-10), which addresses the determination of whether tax benefits claimed or expected to be claimed on a tax return should be recorded in the financial statements. Management evaluated the School's tax positions and concluded that the School has taken no uncertain tax positions that require adjustment to the financial statements. Generally, the School is no longer subject to income tax examinations by the U.S. federal, state or local tax authorities for years before 2014.</p>
