Monitoring: As the steward of public funds, the Partnership is responsible for monitoring its funded programs to ensure accountability of funds and compliance with contract

requirements. Both the Smart Start funded programs and NC Pre-K sites are monitored annually. Smart Start Monitoring: The Partnership monitors each Smart Start funded program

on an annual basis through program observation, site visits, completion of a Direct Service Provider Monitoring Tool and review of program and fiscal reporting throughout the year. The

annual programmatic and fiscal monitoring site visit includes a review of the compliance with the Contract Activity Description, documentation of evaluation, compliance with

communication standards, compliance with grants management, financial status reports, cash receipts, cash disbursements, competitive bidding, cash and in-kind contributions and

property and equipment. Based on this review and completion of a monitoring tool, a report is completed and provided to the funded program. Follow-up technical assistance and

development of a corrective action plan will occur if necessary. NC Pre-Kindergarten Monitoring: The Partnership conducts monitoring as part of the NC Pre-Kindergarten Program in

Durham County. Monitoring activities for participating NC Pre-Kindergarten sites are conducted throughout the year to ensure that program requirements are met. Pre-K sites are required

to complete an annual Site Monitoring Tool that is designed to address the components of the program to meet compliance areas at the site and classroom level. Sites submit the

completed tools to the local contractor's office. The Partnership's NC Pre-K department reviews the tools and conducts a site visit to ensure that all information is correct and accurate and

in compliance with State requirements. Monitoring tools developed by the NC Division of Child Development must also be used at the local level for self-review and verification of

(con't from page 2) compliance with operating requirements. The NC Division of Child Development and Early Education conducts on-site or desk review monitoring annually. Early Head

Start - Monitoring: The Partnership, in compliance with Federal standards and administrative requirements, provides ongoing monitoring of its operations as well as those of its contracted delegate agency. It is the policy of the Grantee that all programmatic, fiscal, and management areas of the Early Head Start program are regularly reviewed and that appropriate and

timely follow-up is provided to ensure correction of non compliance issues. A full monitoring review of the delegate agency is conducted by program and fiscal staff on an annual basis to assess compliance with performance standards and contract requirements. A monitoring tool has been developed using the Office of Head Start Monitoring Protocol and Self-

Assessment Booklets. Monitoring includes a review of compliance with Head Start Performance Standards and compliance with the development and implementation of the financial management system. This will include a detailed review of the financial reporting accounting records, internal controls, and budget controls. The Partnership staff reviews program and

fiscal data including financial status reports, financial source documentation for expenditures, monthly program updates, Head Start Enterprise System (HSES) reports, ChildPlus reports, year-end report and Performance Information Review (PIR) information. A monitoring report, including scope of testing, any issues noted, and recommendation will be provided to the

delegate agency.

Durham's Partnership for Children

Background about the Partnership

Since 1995, Durham's Partnership for Children (DPfC) has created a comprehensive early childhood system that supports collaborative service delivery and planning. DPfC's mission is "To ensure every child in Durham enters school ready to succeed, we lead community strategies for children birth to 5 and their families that promote healthy development and learning and enhance access to high quality care." The Partnership has formed strategic alliances within various sectors including government, business, medical, faith and education to integrate evidence based practices and measurable results.

DPfC is one of 75 local Partnerships in North Carolina. It is the leader charged with implementing North Carolina's Smart Start Initiative, NC Pre-Kindergarten Programs for Durham County, and Durham Early Head Start. In FY 16-17, DPfC funded 10 Smart Start programs 37 NC Pre-Kindergarten classrooms, and Early Head programs with both center based and home based components.

Additionally, DPfC leads the Durham Touchpoints Collaborative, which is the hub of the Early Childhood Training Institute, (ECTI), and the Transition to Kindergarten Initiative. Touchpoints trains providers from across disciplines to provide a strengths-based common language for working with families during times of vulnerability. The ECTI also provides training in Family Connections, Racial Equity, and Toxic Stress and poverty. Transition to Kindergarten engages a variety of community stakeholders to plan and implement transition activities for rising kindergarteners and families throughout Durham. Collaborative work includes DELTA, Ending Family Homelessness, Campaign For Grade-level reading, and the Early Childhood Mental Health Task Force.

Part VI - Section B. Policies #11b - Form 990 was completed by Partnership staff and reviewed by the Finance and Audit Committee. A copy of the completed form was made available to all Board members.

Part VI - Section B. Policies #12c - Durham's Partnership for Children has a written conflict of interest policy that was approved by the Board of Directors. In an effort to regularly and consistently monitor and enforce compliance with the policy, all conflicts are recorded and shared with the Board in chart form. The chart is updated when new information is provided. The chart is then used to monitor discussions and voting by members who may have a conflict of interest. All conflicts and abstentions are recorded in the minutes of the meeting. In addition, the minutes are reviewed for compliance during the monitoring visit by North Carolina Partnership for Children and/or the auditor during the audit process.

Part VI - Section B. Policies #15b - The Board of Directors engaged Carolina Human Resources, Inc. in 2015 to complete an independent HR review. Part VI - Section C Disclosure #19 - Durham's Partnership for Children has its governing documents, conflicts of interest policy, and financial statements available in multiple ways. Many of the documents including policies and required forms are on the website at <http://www.dpfc.net>.
