Pt X, Line 2	Income taxes are not provided for in the financial statements since the Organization is exempt from federal and state income taxes under section 501(c)3 of the Internal Revenue Code and similar state provisions. The Organization is treated as a publicly supported organization, and not as a private foundation. Management is not aware of any activities that would jeopardize the Organization's tax-exempt status. The Organization accounts for uncertainty in tax positions, if any, in accordance with FASB Accounting Standards Codification Section 740. In accordance with these professional standards, the Organization recognizes tax positions only to the extent that Management believes it is "more likely than not" that its tax positions will be sustained upon IRS examination. Management believes that it has no uncertain tax positions that qualify for either recognition or disclosure in the financial statements for the year ended June 30, 2017 and 2016. The Organization believes that its income tax filing positions will be sustained upon examination and does not anticipate any adjustments that would result in a material adverse effect on the Organization's financial condition, results of operations or cash flows. Accordingly, the Organization has not recorded any reserves, or related accruals for interest and penalties for uncertain tax positions at June 30, 2017. The Organization is subject to routine audits by taxing jurisdictions, however, there are currently no audits for any tax periods in progress.
