Return Reference	Explanation
Form 990, Part III, line 2	Senior Community Services Employment Program (SCSEP) is a community service and work-based training program for older Americans. Authorized by the Older Americans Act, the program provides training for low-income, unemployed seniors. Participants also have access to employment assistance through American Job Centers. SCSEP participants gain work experience in a variety of community service activities at non-profit and public facilities, including school, day-care centers and senior centers. Participants work an average of 20 hours a week and are paid the federal minimum wage. This training serves as a bridge to unsubsidized employment opportunities for participants. Participants must be at least 55, unemployed and have a family income of no more than 125% of the federal poverty level. Enrollment priority is given to veterans and qualified spouses, then to individuals who are over 65, have a disability, have low literacy skills or limited English proficiency, reside in a rural area, are homeless or at risk of homelessness, have low employment prospects or have failed to find employment after using services through the American Job Center system.
