Return Reference	Explanation
Schedule D, Part X, Line 2 FIN 48 (ASC 740) footnote	The University and UST Realty Company have received determination letters from the Internal Revenue Service of exemption from federal income tax under Section 501 (c)(3) of the Internal Revenue Code (IRC), and accordingly, no provision has been made for such taxes. Accounting standards generally accepted in the United States of America require that the University recognize the financial effects of a tax position in its consolidated financial statements, if that tax position is more likely than not of being sustained upon examination, including resolution of any appeals or litigation processes, based upon the technical merits of the tax position. Tax positions taken related to the University's tax-exempt status, the taxable income of unrelated business activities, and the deductibility of expenses and other miscellaneous tax positions have been reviewed, and management is of the opinion that material positions taken by the University would more likely than not be sustained upon examination by taxing authorities. Accordingly, the University has not recorded an income tax liability for uncertain tax benefits.
