The George Washington Foundation
2581 Mapleway Road
Yakima, WA 98908
(509) 965-0706
- (b) Early each year, applications for our scholarships are mailed to a large number of specific public high schools in Eastern Washington. These applications request the following:
1. Student's personal and family data sheet
 2. An unmounted photograph of the student
 3. A letter of recommendation from a selected reference, preferably not from the school staff
 4. Personal letter from the student -- covering information not covered elsewhere in the application
 5. Confidential form covering financial information of the family
 6. High school principal's data sheet
 7. Transcript of student's high school credits.

These applications are available through the office of the counselor or principal to graduating high schools seniors of both sexes, regardless of race, color, or creed.

- (c) Awards are made approximately in the middle of April each year and, accordingly, the applications as described above should be submitted to James R. Sharples no later than March 1. Approved applications are generally announced by May 31st.
- (d) The Board of Trustees of the George Washington Foundation selects recipients of scholarships on the basis of need for financial assistance, academic standing, and on those personal qualities such as leadership, use of time and energy, initiative, citizenship, chance of success in college, and primary interests. The student should be in the upper 20% of his/her class. However, this requirement might be waived in case of financial difficulty at home, such as a widowed mother/father, illness of a parent, or large number of children in the family. This waiver is made to enable the student's future earning ability through further education, thereby assisting in his/her well being.

A large percentage of our scholarships are awarded for use at Yakima Valley Community College, where we are able to keep in close touch through the counselors and direct contact with the students. Further, the Foundation awards scholarships primarily to students attending colleges or universities within the State of Washington.

Scholarships are generally awarded to graduating high school seniors from Eastern Washington for use at community colleges and universities to cover student tuition, fees, books, and supplies for the freshman year. This affords a considerable savings to recipients who can obtain the first two years of college while living at home. This provides an opportunity during three summers to earn money toward costs at a senior institution. However, we do make exceptions to this general rule and award fixed sums (or otherwise) to other than community colleges, particularly when desired courses are not available.

No grants are made for research projects.
